**A Plague of Demons** Keith Laumer, 2016-02-29 THE DEMONS HAD TO STOP JOHN BRAVAIS His secret assignment was simply to save mankind from the savage dog like things that used their hands like men Yet an unknown number of apparently human beings were against him too First transformed by surgery into a superman John Bravais probes ever more deeply into the secret nightmare world of the things At last when only his mind remains trapped in a vast robot war machine on the moon only by an immense act of will power can he give humanity a future *A Plague of Demons and Other Stories* Keith Laumer, 2003 Featuring a complete novel plus five short novels by the master of interstellar action and adventure this collection introduces readers to the secrets masters of the Earth a pack of wolves [A Plague of Demons](#) Keith Laumer, 1979 **A Plague of Demons** Keith Laumer, 1975 [A Plague of Demons](#) Gordon Ashe, John Creasey, 1976-01-01

**A Plague of Demons** Margie McDonnell Welsh, 2021-01-18 Burnt to ash and cast back to a fiery Hell for his sins Lucifer commits one last act of vengeance on God and His creations releasing a virus on humanity comprised of his own Dark particles Though it does not affect Nephilim it is virulent and lethal to humans Dark antibodies can provide a cure but the only beings with those antibodies are the denizens of Hell Even the Nephilim who have genetic immunity don't have enough to save mankind Nor can God officially sanction a raid on Hell to get them without breaking a ten thousand year old treaty and starting another divine war The only angel who might be able to get into Hell and convince a contingent of Fallen angels to trade their antibodies for a chance at divine forgiveness is former Ambassador to Hell and Demon Lord Maxiel who thought he would never see Hell the human world or the Caretaker Sahara again Sahara thinking the same started a life with Dr Alex Malcolm doctor in charge of combating the demon virus Now is not a good time for the Demon Lord she once loved to return Or Lucifer But both do When Max goes to Hell as God's secret emissary Sahara becomes his point of contact In no time she finds herself knee deep in political intrigue and temptation surrounded by personal risk and stalked by Lucifer who having remade himself is trying to exert his influence again There was a time when she would never have been tempted to risk her soul but when Doc Alex contracts the virus and only unholy intervention might protect him what might she give up to save his life [Demon Hordes and Burning Boats](#) Paul R. Katz, Professor of Medicine Paul R Katz, MD, 1995-01-01 Provides a lively description of how the cult of a popular plague fighting deity named Marshal Wen arose and spread in late imperial China **Shadowbane** Erik Scott De Bie, 2011-09-27 Kalen and Myrin find trouble in the lawless world of Luskan in this fantasy adventure worth reading and rereading many times Ed Greenwood creator of the Forgotten Realms The city of Luskan has always been a den of pirates thieves and murderers But lately things have gotten much worse A ship crashes offshore with nothing but corpses Every day people go crazy and brutalize those around them And the only signs that even the most hardened criminals still walk the streets at night are bones Luskan's sister city Waterdeep has sent a detachment to quarantine the unclean city to let the filth within die rather than infect the rest of the Realms But wizard Myrin Darkdance

has slipped inside declaring that she will save Luskan Kalen Shadowbane Dren follows determined to save Myrin and therefore her pet city even if he has to kill every rat in Luskan to do it This expanded ebook also includes a brand new short story entitled A New Purpose as well as links to an existing prequel and an original e novella featuring characters from Shadowbane Also included are links to background information on the Abyssal Plague series and sample chapters from other books in the series

**The Sinister Way** Richard von Glahn,2004-04-20 The most striking feature of Wutong the preeminent God of Wealth in late imperial China was the deity s diabolical character Wutong was perceived not as a heroic figure or paragon of noble qualities but rather as an embodiment of humanity s basest vices greed and lust a maleficent demon who preyed on the weak and vulnerable In *The Sinister Way* Richard von Glahn examines the emergence and evolution of the Wutong cult within the larger framework of the historical development of Chinese popular or vernacular religion as opposed to institutional religions such as Buddhism or Daoism Von Glahn s study spanning three millennia gives due recognition to the morally ambivalent and demonic aspects of divine power within the common Chinese religious culture
