Schochet, 1990 A Progress of Sentiments Annette C. Baier, 2009-07-01 Annette Baier's aim is to make sense of David Hume's Treatise as a whole Hume's family motto which appears on his bookplate was True to the End Baier argues that it is not until the end of the Treatise that we get his full story about truth and falsehood reason and folly By the end we can see the cause to which

Hume has been true throughout the work Baier finds Hume's Treatise on Human Nature to be a carefully crafted literary and philosophical work which itself displays a philosophical progress of sentiments His starting place is an overly abstract intellectualism that deliberately thrusts passions and social concerns into the background In the three interrelated books of the Treatise his self understander proceeds through partial successes and dramatic failures to emerge with new found optimism expecting that the exact knowledge the morally self conscious anatomist of human nature can acquire will itself improve and correct our vision of morality Baier describes how by turning philosophy toward human nature instead of toward God and the universe Hume initiated a new philosophy a broader discipline of reflection that can embrace Charles Darwin and Michel Foucault as well as William James and Sigmund Freud Hume belongs both to our present and to our past The Feminist Voices in Restoration Comedy Douglas M. Young, 1997-05-22 Sir George Etherege William Wycherley and William Congreve introduce into their play worlds major female characters who demand independence and equality from their male counterparts This book focuses on each major female character who demands independence and equality of her gallant libertine before she will commit to marriage or courtship with him This demand for equality is a contrast to the social and marital relationships found in the real world of 17th century English Restoration society where marriage was a bargaining process for property and where the woman was treated as the man's property Each of the three playwrights develops his virtuous women in a different way Wycherley's approach to his characters for instance is quite different from that of Etherege and Congreve But in each case the playwrights present major female characters who prove themselves superior in wit and wisdom and thoroughly modern in their outlook **The Eighteenth Century** Research Publications, inc, 1993

The Dublin University Magazine, 1846 *Perspectives on Imperialism and Decolonization* R. F. Holland, G. Rizvi, 2013-10-15 First published in 1984 These essays have been collected to mark the retirement of Freddie Madden The contributors have at various times been associated with him either as pupils or colleagues during his four decades at Oxford Their articles in the diversity of subject matter and time span which they encompass reflect the catholic historical sympathy which was always Freddie Madden's hallmark as a historian whilst their coherence around the central theme of the growth and demise of Western empire testify to the vitality of that imperial historiographic tradition which was the preeminent concern of his activities both as teacher and scholar *Dublin University Magazine*, 1846
