A Planet For The President:

A Planet for the President Alistair Beaton, 2018-02-22 This is a story written over a decade ago Before Fake News or Alternative Facts or even social media It told the story of a not too distant future which really was not too distant The President of the United States is facing a global catastrophe The environment is in meltdown People are dying Americans are dying Even he can't ignore it There's hardly a corner of the world that isn't in crisis And that's when he's persuaded of a truth his advisers hold to be self-evident That it's time to think the unthinkable The problem isn't power or politics or the planet or the President It's the People Hilarious and horrifying this enormously entertaining satire has never been more razor sharp revelatory or relevant What readers are saying about this hilarious critically acclaimed novel For anyone who likes laughs and thrills in one package and who's been following recent developments in the White House this is an absolute must Amazon Reviewer 5 stars This political and satirical novel manages to be both thrilling and funny And given its prescience scary too The characters the setting and the plot are fantastic and believable A real page turner Amazon Reviewer 5 stars A frighteningly plausible thriller which imagines what might happen if the White House were finally to believe that something had to be done about global warming clever funny and a really good read Amazon Reviewer 5 stars This thriller is packed with good jokes and tells a tale that is utterly credible Parts were jaw-droppingly frightening and I wished I could have put it down but the sharp humour and pacy plot made me keep reading It's a laugh and a chiller in one book Amazon Reviewer 5 stars

Pope,2023-11-19 SF UNIVERSE The Ultimate Collection stands as a monumental anthology embracing a vast array of themes such as exploration the human condition and the endless possibilities of science and technology It unites a remarkable spectrum of literary styles from the pioneering works of Mary Shelley and H G Wells to the modern musings of Philip K Dick and Kurt Vonnegut Within its pages

readers will find a rich tapestry of speculative thought ranging from the utopian visions of Edward Bellamy to the dystopian warnings of Ayn Rand showcasing the evolution of the genre and its profound impact on contemporary literature. Notably, the collection doesn't shy away from the obscure or the avant garde, offering pieces that have defined and expanded the boundaries of the science fiction genre. The authors represented in this anthology come from diverse backgrounds, each contributing their unique voice to the grand choir of speculative fiction. From the scientific romances of Jules Verne to the cosmic adventures of E. E. Doc Smith, the collection spans over two centuries of literary history, embodying key cultural and literary movements such as Romanticism, Modernism, and the Golden Age of Science Fiction. These authors, many of whom were pioneers in their own right, have collectively influenced generations and helped to shape the trajectory of science fiction as a serious literary endeavor, making it a reflective mirror of humanity's greatest hopes, fears, and philosophical inquiries.

DAWN OF THE APOCALYPSE The Ultimate Collection is an indispensable treasure trove for enthusiasts and scholars alike, presenting a unique opportunity to explore the myriad worlds of science fiction. Readers are invited to embark on a journey through time and space to engage with the works of giants upon whose shoulders the genre stands. This anthology does not merely offer stories; it provides a panoramic vista of humanity's greatest imaginative achievements, encouraging a deeper understanding of our sociopolitical landscapes and the human psyche. Whether a long-standing aficionado or a curious newcomer to the genre, this collection promises to enlighten, entertain, and inspire, making it an essential addition to any literary library.

DAWN OF THE APOCALYPSE gathers the pinnacle of speculative fiction to explore end times across diverse landscapes, from the desolate to the dystopian. It stitches a rich tapestry of literary approaches, ranging from the classic gothic horror of Edgar Allan Poe to the socio-political dystopias envisioned by Ayn Rand and H. G. Wells, and the unique utopian perspective of Edward Bellamy. The anthology thrives on its variety, not just in the cataclysmic events it portrays but also in the myriad ways these events are perceived and interpreted by its characters. Key pieces within this collection stand as milestones in the science fiction genre, framing apocalyptic and post-apocalyptic narratives as lenses through which we critique and comprehend contemporary societal fears. The authors, both pioneers and craftsmen of their time, come from a broad spectrum of backgrounds, each contributing to the anthology's overarching theme with their unique flavor of apocalypse. These writers are not just storytellers but visionaries who collectively paint a multifaceted picture of humanity at the brink. They belonged to and were influenced by a range of historical, cultural, and literary movements, from the Romanticism and Transcendentalism of the 19th century to the early 20th

century's modernism and the budding science fiction genre. Their combined works offer a historical capsule of societal anxieties and hopes reflecting on themes of human resilience, the abuse of technology, and the moral dilemmas of progress. **DAWN OF THE APOCALYPSE** is an essential collection for readers eager to dive into the depths of human imagination faced with its own end. It offers an unparalleled opportunity to traverse the vast landscapes of apocalyptic fiction through the eyes of some of the most influential authors in literary history. This anthology not only serves as an academic goldmine for those studying the evolution of speculative fiction and its impact on society but also provides a timeless reflection on humanity's perennial concerns with its own survival and legacy. Readers are invited to witness the end of worlds not just as an exercise in literary exploration but as a mirror to our collective psyche across generations.
