**The Secret Police Dossier of Herta Müller** Valentina N. Glajar, Valentina Glajar, 2023 An in depth investigation of the Romanian secret police s file on Müller winner of the 2009 Nobel Prize for Literature re creating a file story of her surveillance Herta Müller should share her Nobel with the Securitate This comment by a former officer in the Romanian secret police or Securitate was in reaction to hearing that Müller a German writer originally from Romania had won the 2009 Nobel Prize for Literature Communist Romania s infamous secret police was indeed a protagonist in Müller s work though an undesired and dreaded one most of her writings are deeply and explicitly anchored in Ceau escu s Romania and her own traumatic experiences with the Securitate Müller s file traces her surveillance from 1983 until after she emigrated to West Germany in 1987 She has written extensively in reaction to reading her file but primarily addresses its gaps begging the question what information the file does in fact contain This book is an in depth investigation of Müller s file and engages with other related files including that of her then husband the writer Richard Wagner Valentina Glajar treats the files as primary sources in order to re create the story of Müller s surveillance by the Securitate In such an intrusive culture of surveillance surviving the system often meant a certain degree of entanglement for victims collaborators and implicated subjects alike Veiled in secrecy for decades these compelling and complex documents shed light on a boundary between victims and perpetrators as porous as the Iron Curtain itself
