McGraw-Hill SmartBook®

Fueled by LearnSmart—the most widely used and intelligent adaptive learning resource—SmartBook is the first and only adaptive reading experience available today.

Distinguishing what a student knows from what they don't, and honing in on concepts they are most likely to forget, SmartBook personalizes content for each student in a continuously adapting reading experience. Reading is no longer a passive and linear experience, but an engaging and dynamic one where students are more likely to master and retain important concepts, coming to class better prepared. Valuable reports provide instructors insight as to how students are progressing through textbook content, and are useful for shaping in-class time or assessment.

As a result of the adaptive reading experience found in SmartBook, students are more likely to retain knowledge, stay in class and get better grades.

This revolutionary technology is available only from McGraw-Hill Education and for hundreds of course areas as part of the LearnSmart Advantage series. Ask your McGraw-Hill Representative for more detail and check it out at <http://learnsmartadvantage.com/products/smartbook/>.
