South African Conversations is a certified Level 2 B-BBEE, social-entrepreneurial media company, on a mission to ease the suffering caused by unemployment, poverty and marginalisation. **Our Unique Selling Proposition:** all our initiatives offer opportunities for ordinary South Africans to earn money, make their voices heard and access information. Contact us to participate!

We do this through three key initiatives

Community Conversations
Opportunities at participating communities throughout South Africa for people from diverse backgrounds to get together and talk about things that matter, and for qualified locals to earn an income and bring money into township and inner-city economies.

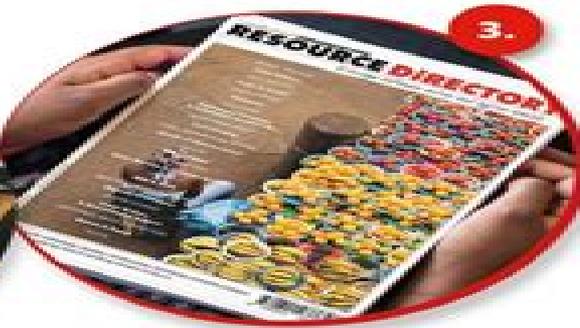

Conversations are advertiser-supported.

The Conversations and the Magazine have been on hold since COVID but are being relaunched in January 2023.

A Monthly Magazine
This thought-provoking, solutions-oriented magazine is more than just a great read! It is also an income-generating initiative that involves marginalised people in both its production and sales, and NPOs in its distribution.

Sellers earn R25 per magazine sold, with a monthly income potential of R3,750. NPOs earn R8.50 per copy sold by their hub's sellers.

A Resource Directory
A 368-page compilation of tools, resources, services and solutions offered by non-profit, faith-based, civil society and government programmes.

It is printed to serve the millions of South Africans who do not have meaningful internet access. And it's an invaluable tool: Social workers call it their bible.

NPOs can list their programmes free of charge. Ambassadors earn R50 per copy bought on their recommendation.
