Turner, William Pollard**

## **A Reasonable Faith:**

Reasonable Faith William Lane Craig, 1994 An excellent choice for a rational and systematic defense of the Christian faith Written by one of the top Christian theologians in an easier to read style this expanded edition discusses the relationship between faith and reason covering important core beliefs This resource includes a new chapter on the validity of New Testament documents

**A reasonable faith, essays, by three 'Friends'** Francis Frith, 1884

A Reasonable Faith Rubens Ruba, 2011-03-18 Christians are often accused of having blind faith Looking at various questions relating to apologetics the author attempts to make the case that Christianity is unique and stands the test of rational and reasonable arguments There is no conflict between faith and reason He answers objections relating from Science the reliability of the Bible to the arrogant accusation that Christ is the only way Whether you are investigating Christianity for the first time or whether you're a Christian who's wondering how to respond to objections skeptical friends raise this book gives helpful guidance

A Reasonable Faith N. E. Kurz, 2025-07-30 Do you have questions about God and ultimate reality Have you ever wondered about origins values and destiny You're not alone Millions of people in our generation face genuine difficulties regarding questions of life and faith such as Why is there suffering Is God really there How do I cope with death Although many people struggle with tough questions such as these most Christians downplay the importance of philosophical questioning Thus seekers of truth are often reluctant to ask the awesome questions lurking just beneath the surface Understanding firsthand the current de-emphasis on religious questioning N E Kurz has written A Reasonable Faith Finding Faith Through Rational Evidence to call attention to the seriousness of the situation and provide a context for asking and answering important questions In A Reasonable Faith she not only highlights the fact that an objective approach to the spreading of the gospel is desperately needed today but also provides insights and answers to such questions as Why do we need to reason our faith Is it wrong to doubt or question Is it enough to just believe Is Christianity just a psychological crutch Are all religions true Does the Bible conflict with science Was Jesus really God Is the Bible truly God's word What is God like Why do some professed believers fall astray Book Review In confronting her own grief she had to ask the fundamental religious questions that plague many people For those who are struggling with these very real questions she provides a starting point from which they may continue to grow Booklist

A Reasonable Faith N. E. Kurz, 2025-05-15 Because of the serious spiritual decline in America today the time is right for a book that examines the relationships of faith and reason to Christian evangelism and responsible Christian living Christians need to become more aware that a clearly reasoned presentation of the gospel is necessary to many people for conversion and to all Christians so they can mature in faith In a pluralistic world an objective approach to the spreading of the Gospel is desperately needed one that will give the non-Christian clear ground for trying Christianity Since Christianity claims to be objectively true factual knowledge and historical

evidence are important elements in distinguishing the truth claims of Christianity from other religions *REASONABLE FAITH* Edward D. Andrews, 2018-05-02 **Reasonable Faith** Jay L. Wile, 1997 *A Personal Grief & a Reasonable Faith* Norma E. Sawyers, 1991 Content Have you ever had questions about God and ultimate reality Have you ever wondered about origins values and destiny If you have you re not alone Millions of people in our generation face genuine difficulties regarding questions of life and faith Why is there suffering Is God really there How do I cope with death Although the majority of men and women in our day struggle with tough questions such as these most Christians downplay the importance of philosophical questioning Thus seekers of truth are often reluctant to ask the awesome questions lurking just beneath the surface Understanding firsthand the current deemphasis on religious questioning Norma Sawyers has written this book both to call attention to the seriousness of the situation and to provide a context for asking and answering some of the questions First in *A Personal Grief* Norma Sawyers tells about her own intensely personal and painful journey to an intelligent knowledge of God Then in *A Reasonable Faith* she not only calls attention to the fact that an objective approach to the spreading of the gospel is desperately needed today but also provides insights and answers to such questions as What is Faith Is it Wrong to Doubt to Question Is it Enough to Just Believe Is Christianity Just a Psychological Crutch Are All Religions True Does the Bible Conflict with Science Was Jesus Really God Why Does God Allow Evil and Suffering Is the Bible Truly God's Word Does God Really Send People to Hell Why Are There So Many Hypocrites in the Church Is There Need for a Christian Reformation Each chapter of *A Reasonable Faith* is based on one of these tough questions and each answer is given with empathy and love for the real people with urgent questions *A Reasonable Faith* Francis Frith, William Edward Turner, 2023-07-18 Discover the foundations of faith in *A Reasonable Faith* a collection of insightful and thought provoking essays on religion Compiled by Francis Frith and William Edward Turner this book provides a thoughtful exploration of Christianity and its place in the modern world An important read for believers and skeptics alike This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Rawls, Political Liberalism and Reasonable Faith** Paul Weithman, 2016-08-11 For over twenty years Paul Weithman has explored the thought of John Rawls to ask how liberalism can secure the principled allegiance of those people whom Rawls called citizens of faith This volume brings together ten of his major essays including one new unpublished essay which reflect on the task and political character of political philosophy the ways in which liberalism does and does not privatize religion the role of liberal legitimacy in Rawls's theory and the requirements of public reason The essays reveal Rawls as a thinker deeply

engaged with political and existential questions that trouble citizens of faith and explore how in firm opposition to political realism he tries to show that the possibility of liberal democracy and the natural goodness of humanity are objects of reasonable faith The volume will be of interest to political philosophers political theorists moral theologians and religious ethicists *A Reasonable Faith* John Baker Hopkins,1865 *A Reasonable Faith* Tony Campolo,2008 *A Reasonable Faith* shows you how to bridge the gap between faith and intellectual arguments and helps you see the ways that Christian beliefs intersect with modern needs and concerns BACK COVER **A Reasonable Faith** ,1881 *A Reasonable Faith (Classic Reprint)* O. Edward Janney,2016-06-21 Excerpt from *A Reasonable Faith* The Religious Society of Friends has no written creed and therefore no member is authorized to state its beliefs in a sense that makes the Society responsible The only statement to be found in the Book of Discipline of Baltimore Yearly Meeting of Friends that directly refers to belief is as follows It is the belief of the Religious Society of Friends that God manifested himself in Jesus Christ and that the Spirit which was in Jesus is revealed in the human soul and constitutes the Rock on which the Church is founded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Reasonable Faith William Lane Craig,2008 This updated edition by one of the world s leading apologists presents a systematic positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities Brilliant and accessible *'a Reasonable Faith', By Three 'friends' [f. Frith, W.e. Turner And W. Pollard] Refuted* George Holden Braithwaite,Francis Frith,2023-07-18 In this powerful refutation of *A Reasonable Faith* three friends Frith Turner and Pollard are challenged and exposed for their flawed arguments Francis Frith and George Holden Braithwaite provide a clear and convincing argument against the idea of a reasonable faith stating that true faith has nothing to do with reason and everything to do with trust in God This is a must read for anyone interested in Christian apologetics This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Reasonable Faith?** Doreen Tanner,1982 **A Reasonable Faith** Russell James Clinchy,1937
