A Rebirth For Christianity The Spiritual Meaning Of Christ:

A Rebirth for Christianity Alvin Boyd Kuhn, 2008-04-25 The search to uncover the hidden origins of Christianity and discover its true message has become a current topic of fascination for many readers People are eager to know the truths behind the biblical legends and the mysteries that created Christian rites ceremonies and codes of behavior Kuhn argues that the sacred scriptures of Judaism and Christianity do not portray historical truths but symbolic and mystical metaphors The spiritual truth encoded in scripture says Kuhn is far more important than its literal narrative Kuhn s research provides a clear understanding of the allegorical interpretations of the scriptures and their significance to a deeper more profound Christianity He traces the historical and philosophical origins of Christian thought to illustrate that Jesus was one of many incarnations of an enduring archetype that has surfaced in many religions In fact those who wrote the scriptures may have never even intended the focus to be on Jesus the man Moreover Kuhn investigates the problems psychological spiritual and otherwise that result from a purely historical interpretation of Jesus In doing so Kuhn reclaims the mystical power at the core of Christianity s message which has to do with the birth of the inner Christ and the emergence of divine consciousness in humanity
