A Sagebrush Heritage Lorena Edwards Meadows,1972 **Sagebrush Heritage** Robert J. White,1987 *History of Nevada* Russell R. Elliott,1987-01-01 Maintaining the same high standards of the first edition published in 1973 this new revised edition is still the most comprehensive one volume history of a state that was once thought of as a bridge to somewhere else In revising Elliott summarizes the state s economic political and social history since 1973 and strengthens a major point he made then that Nevada s acceptance of liberal marriage and divorce laws and of legalized gambling brought economic stability to a state singularly devoid of stable economic resources from Book Jacket **Chinese America: History and Perspectives 2003** ,2003 Ordinary Women, Extraordinary Lives Kriste Lindenmeyer,2000-06 This collection of seventeen minibiographies sheds light on the often neglected herstory of U S history from the revolutionary era through the late twentieth century In addition this volume suggests the complexity of studying the past when gender race class region age and ethnicity are included in the analysis This book is unique in that it focuses on the lives of ordinary women The names of the vast majority of those whose stories are included here will likely be unfamiliar even to serious students of American women s history The varied experiences of such women help to create a more complete picture of the past by revealing the influence general historical trends have had on the lives of ordinary individuals But ordinary does not mean lesser nor does it denote class race ethnicity or age The individual women s stories that are told in the following pages show that even people who are not featured in mainstream history texts led lives that deserve the attention of those interested in understanding the past The authors of these chapters have found support for generalizations commonly held by American women s historians Nonetheless their research has also led to unexpected findings that ask students of women s history to examine assumptions about the past more closely **Bighorn National Forest (N.F.), Livestock Grazing on the Battle Park C&H and Mistymoon S&G Allotments** ,2008 **My Best for the Kingdom: History and Autobiography of John Lowe Butler, a Mormon Frontiersman** William G. Hartley,2017-03-27 My Best for the Kingdom provides a valuable history of several little known events in early Mormon history the Church in Tennessee and Kentucky in the 1830s the Danites in Missouri Mormon resistance to Missouri persecutions the James Emmett expedition and pioneer Spanish Fork Utah John L Butler s autobiography given here in full rivals and adds to the accounts of Hosea Stout and John D Lee in telling the Mormon story of the 1830s 40s and 50s Butler was a valiant militiaman missionary frontiersman and bishop A fast moving informative well researched and well told account of Mormonism on the frontier and pioneer Utah Leonard J Arrington quoted on the back outside jacket This is the 3rd printing of My Best for the Kingdom ISBN 978 1 365 73968 2 and is the same as the 2nd printing ISBN 978 0 9843965 2 8 and 1st printing ISBN 1 56236 212 7 versions except that the front end papers family chart and map on the previous versions are now included as the final two pages **American Heritage** ,1998 **An Illustrated History of Klickitat, Yakima and Kittitas Counties** ,1904 *Wyoming History Journal* ,1993 **Medicine Bow**
