**Gospel Memories** Jake Owensby, 2016-02-01 While there is truth in the idea that our past shapes our future the gospel is all about the counter intuitive promise that God is shaping us right now toward God s vision of who we will become It is not our past that makes us into the image of God God s redeeming love does that In God who we are not yet is shaping who we become Appealing to anyone drawn to a deeper understanding of their own story and a richer sense of God s transforming presence this book will have special resonance for people at turning points in their lives Career changes loss of a loved one graduation illness divorce birth of a child entering middle or later years Life is filled with turning points at which we feel compelled to tell our story in a new and different way Each chapter focuses on a gospel passage leading to a reflection on a significant point in the author s life which uncovers deeper and more personal meaning in the biblical text Questions conclude each chapter engaging readers to look at their own lives good and bad and find God experiencing the joy surprise and healing of God s future rewriting the past      *Boston Medical and Surgical Journal* ,1836      Medical and Surgical Memoirs Joseph Jones, 1887      **The London Medical and Surgical Journal** ,1833      Running Away Ulysses Stephen King, Jr., 2015-03-12 Ulysses honest candor about the Christian journey is refreshing He supports the body of Christ in developing spiritual veracity while applying practical truths Running Away is an authentic discourse exploring life behind the pulpit Vita Jones Ph D For those sons and daughters who served alongside their parents in ministry and were left on the battlefield wounded with scars you are not forgotten There is healing for the soul and spirit even in the midst of pain and disappointment Pastor Kings daring memoir goes beyond the religious slogans and Christian jargon that is so often used by popular celebrity preachers and he examines some of the views and stereotypes cast on pastors children who serve in the church He shares his personal journey emotions and reasons for accepting the call to serve as the pastor of a historic classical Pentecostal church He also attempts to answer the question Why do so many pastors children leave the church and

run away from the call to serve Running Away is a memoir of passion told by the son of a bishop who struggled to find his purpose and destiny in a denomination he no longer loved after the death of his father The book looks at Pastor Kings personal tests failures and trials in ministry and what it took for him to overcome some of the painful experiences of leadership Running Away is not a memoir of triumph or failure but of truthhis truth Pastor King takes a leap of faith and risk by being vulnerable in order to share his story with a broader and wider community hoping his readers will understand his heart and love for his father and the local church he faithfully served for over thirty years Running Away is a must read for pastors with children and Christians who are often critical of them
