A Scene From Heaven:

Heaven Paula Gooder, 2011-08-18 For all who are curious about the dwelling place of God and the angels this book explores the Bible's teaching on heaven and explains how it is nearer to earth than you might think Paula Gooder considers the ways in which the Bible sees heaven and earth connecting and explores all the major strands of belief about life after death including the role of paradise and what happens between death and resurrection She shows how the biblical writers see heaven and earth as closely connected so that what happens in heaven affects events on earth and vice versa

Making a Scene in the Pulpit Alyce M. McKenzie, 2018-10-23 How can preachers ensure that their sermons continue to engage listeners in a world defined by visual media and the short segmented delivery of information Alyce McKenzie harnesses the element of drama and the human fascination with scenes to offer ministers a modern means of sermon development and delivery McKenzie's core strategy is to invite listeners into scenes whether from Scripture or contemporary life and once they are there to point them toward the larger story of God's relationship with humankind Creating such scenes unifies the whole process of preaching she says from the preacher's daily life observations to interpretation of scenes from Scripture to sermon shaping sequencing and delivery The process culminates in a specific understanding of the purpose of the sermon to send listeners out into the scenes they'll play in their lives for the next week equipped to act out their parts in ways that are kinder more just and more courageous than last week [Heaven's Promise](#) Paolo Hewitt, 2015-02-02
