**A Scottish Journey** James McEnaney, 2020-04-24 Scotland as I saw it on this journey is vibrant and exciting and very much alive a tartan patchwork of the past present and future of the country woven together by all those people who have ever called it home and all the others who will James McEnaney sees Scotland as a complicated and conflicted place that needs a disruption of the status quo He presents the country as he found it on his journey struggling with contemporary mistakes and historic wrongs but also bustling with energy and expectation ultimately offering glimpses of the better brighter future which might just be on the way
