

A live music performance in a loft. Three singers are on a stage: a woman on the left, a man in the center, and a man on the right. They are all singing into microphones. The stage is made of wooden blocks. The background is a dark loft with exposed wooden beams and a crowd of people watching. The text "BLESSINGS EVERYWHERE" is overlaid in large yellow letters, and "LIVE FROM THE LOFT" is overlaid in smaller yellow letters below it.

## **Blessings Everywhere:**

Every Day a Blessing Thomas Nelson, 2013-11-09 Spend an entire year of discovering God's blessings and develop a lifetime of gratitude. God loves everyone and one way He shows His love is through showering us with blessings. Whether it's with parents who love us, warm sunshine, or the ultimate blessing of His Son Jesus, God's love is everywhere. When kids see that God is the source of all blessings, it reminds them that all gifts truly do come from God. Children will learn to not only see God's blessings in happy days but to see His loving hand in hard days as well. Developing a habit of giving thanks in all circumstances will lead children to a lifelong spirit of gratitude. Each devotion features Scripture and a bite-sized message that will keep the attention of young minds. Devotions also have a takeaway to help children engage with the message and apply its meaning to their lives. Meets national education standards. Blessings for Little Ones (eBook) Carolyn Larsen, 2011-01-28 BLESSINGS FOR LITTLE ONES written by well-known author Carolyn Larsen is designed to teach toddlers that God has brand new blessings to give them every single day. With bright and sunny artwork, it is a great way for parents to impart spiritual truths to their children that will last a lifetime. Read to me blessings include, among others: Good night blessings, The blessing of sharing, The blessing of God's love. **Growing Up Aimi Series - The Complete Box Set** Bill & Mia Belew, 2020-08-21 Move over C. S. Lewis and Roald Dahl, there's a new storyteller on the rise, and she's only 11 years old. Prepare to rediscover the value of friendship when family lets you down. In this mysterious, true-to-life story, Aimi Roci Mousi Sybil and Sycamore are a loose group of friends, aka The Bunch, who attend school together. The Bunch go to a 150-year-old church camp, Mount Hermon, founded around the time of the first gold rush in 1849. The camp is located in a giant forest in the Santa Cruz mountains of California, just over the hill from Silicon Valley. In keeping with the principles of its founders, Bart Prissie and their adopted son Artie, the camp administrators have created a modern-day refuge for children like the Bunch, who live at a time when many people around them, including their parents, are chasing new gold nearby. Each member of the Bunch becomes seemingly inexplicably lost in the giant forest. They must each find themselves, then find one another, before they can together again find their way home. Along the way, they are baffled at why they receive help from new animal friends. Each member of the Bunch battles with and finds resolution to problems they face at home: from overbearing or neglectful parents, sibling rivalry, prejudice, betrayal, and displaced loyalty. When the five become reunited, bigger battles ensue. To return home, they must overcome giants that have plagued them throughout their lost experience. If victorious, the Bunch can return to Mt. Hermon with the help of their new forest friends. A chapter book for preteens who love to read. In this frame narrative, the second book in the Growing Up Aimi Series, Aimi is on a peace corps mission in the deepest jungles of India. Her first priority is the safety of the children she came to serve. Her second is to teach them to love to read. Miss A reads a book to the children about an earlier time of mystery when the high-tech world threatened her friends and their new school. The young people determined to implement an old-school approach to meet the challenges of the high

tech antics of adults bent on becoming the next unicorn in Silicon Valley All the while the school and children where Miss A is serving face the danger of being lost to the forces of time Remember the impact that teachers and mentors have had on you and your life when parents and children teachers and students read The Heliuna Academy together The questions at the end of each chapter are student teacher parent child and reader group tested Go deeper in the relationships that are important to you Can Aimi and her friends learn why their beloved teachers have gone missing Can they stop the tides of change Only the reader knows I Aimi stood motionless as I peered through the just closed final curtain A few moments ago we put a wrap on the last performance of our unique take on Beauty the Beast We called it The Rose and the Thorn Welcome to Book 3 in the Growing Up Aimi Series Historical fiction Mystery Coming of Age Or all The reader knows I guess the thinking is or was that if our school can twist Roald Dahl s Charlie and the Chocolate Factory to our tastes then Disney s Beauty and the Beast would be fair game as well Or should I say Gabrielle Suzanne Barbot de Villeneuve s Beauty and the Beast She wrote it gee like almost 200 years ago I won t say her name however for fear I say it wrong and Violet gets offended She s like that and will know how to say it Not just because she is from France but can speak French And she does love to point it out to me when I make a mistake Book 1 The Giant Forest Aimi was in the 5th grade Book 2 The Heliuna Academy Aimi was in the 6th grade Book 3 The LoGlas Theater Aimi is now in the 7th grade No magic no time travel no fantastical beasts Just good clean story telling as we watch and grow along with Aimi Wilby *The Psalms and Proverbs* Pastor John Rumble,2024-10-30 As you read the blessed book of Psalms you ll witness the hand of God upon King David and how he discovers the riches of the Lord through trials and blessings and so much more Quite often the Psalms show us the answer to the problem at the end of the chapter With each one you ll discover that the answer to any challenge can always be found in our God who will deliver In this book Pastor John Rumble teams up with his co author to reveal precious truths from the book of Psalms paving the way for you to discover the riches of God on every page You will discover His Son shining through via fulfilled prophecies ranging from His coming as a child His great ministry His final suffering and death on the cross and even His resurrection Let s enjoy discovering even in this Old Testament book that Jesus is alive and well both yesterday today and forever No matter how long you ve been reading the Bible you can always grow in Christ as you study its text and context Deepen your love for God s word and strengthen your faith with the lessons in *The Psalms and Proverbs* *Toronto Blessing Charismatic Deception Volume 2* K B Napier,2019-07-22 For this author The Toronto Blessing was a huge spiritual scam whose claims can be opposed quite easily The trouble is it led to the worldwide acceptance of charismaticism which went on to theologise its scam so it sounds legitimate This volume looks at several basic claims made by Blessing leaders and which were repeated in a number of similar spiritual revivals which were also false The purpose of these volumes more to follow is to make sure there is an accurate record of what really happened at the time so that the facts are not swallowed up by charismatic redacting of history there is an argument that Pentecostalism is not responsible for the wild antics in the Blessing movement

which has changed names many times but it is hard to distinguish the two though some Pentecostals deny any involvement
