## **Blessings Of The Curse:**

*Blessing Or Curse* Derek Prince, 1998      *The Blessing and the Curse* Jeff S. Anderson, 2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson's *The Blessing and the Curse* applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church      *10 Curses That Block the Blessing* Larry Huch, 2006-07-06 Blessing or Curses It's Up to You Have you been suffering with depression family dysfunction marital unhappiness or other problems and been unable to overcome them Within the pages of this groundbreaking book *Ten Curses That Block the Blessing* Larry Huch shares his personal experience with a life of anger drug addiction crime and violence He shows how he broke these curses and reveals how you can Recognize the signs of a curse End cycles of abuse violence or sin Be set free from generational curses Restore your health and wealth Receive dominion what it is and how to use it Bring your children to Christ You don't have to struggle any longer Choose to revolutionize your life You can reverse the curses that block your blessings      *Bless, and Curse Not* Gary W. Grout, 2020-10-23 It feels like I take one step forward two steps back Yet some people seem to move from one golden opportunity to the next Could these remarks be observations of the effects of modern day curses and blessings The Bible has much to say on the subject *Bless and Curse Not* will open your understanding to the Biblical principles of blessings and curses In it you will learn of the destructive power of generational curses hereditary curses word curses and self curses You will also learn how to change for the better the circumstances of those you love by the power of blessings Subjects covered include Curses need to be removed The cause of a curse must be removed Our responsibility in removing curses The power and authority of the believer to bless What blessings can we make Whom should we bless Identify curses operating in your life Identify your own special familial blessings Containing over three hundred pages of Scriptural curses and blessings arranged in tabular form by symptoms this book allows you to pinpoint the curses hindering you and your family and the blessings to replace them *Bless and Curse Not* by Gary W Grout is comprehensive in its coverage of the subject clear in its presentation and practical in its application to our lives      *Blessings And Curses* Zacharias Taneé Fomum, 1900 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights

totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force that is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing

*The Power to Curse or Bless Others* William Derrick Moore,2007-02-26 The Power to Curse or Bless Others is the second book in a continuing series on Christian conduct by William Derrick Moore This book provides insight into the very nature of evil demonic beings and our own contributions to what we have come to know as evil It also takes a look at arealm of evil that many Christians fail to see or acknowledge Once an understanding is reached on all the sources that can influence what we perceive as demonic activity or evil we have an opportunity to change our role in the process of being a curse or a blessing to others An important variable in understanding the problem of evil is the rejection of one of God s greatest commandments love In rejecting this commandment it changes the potential and capacity to extrodinarily bless someone into the potential and capacity to extrodinarily curse someone A central theme in this book is God s gift of free will and volition to his creations both human and angelic God has given us all the power to bless or curse others Misusing this gift and power from God constitutes evil The Power to Curse or Bless Others takes a deeper look into the major causes of evil and it also provides insight and understanding of God s true role in allowing evil to continue in the world

Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force which is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of

supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing

BLESSINGS, CURSES, AND SPIRITUAL ATTACKS GODSWORD GODSWILL ONU,2015-02-13 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God's Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life
