Blessing or Curse Derek Prince,2006-09-01 Life s trials and triumphs can seem accidental One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him Another may feel that every day is a gift from God with special blessings just for her That s because forces are at work in our lives the blessings of a loving God or the curses of our spiritual adversary This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God s blessings This third edition of *Blessing or Curse* includes an extensive new study guide for small group or individual use **Blessings And Curses**

Zacharias Tanee Fomum,2020-06-12 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force which is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing [Blessing Or](#)

Anderson,2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson s *The Blessing and the Curse*
