Blind Ambition:

Blind Ambition Chad E. Foster,2021-02-16 For anyone seeking to live life to its fullest potential Blind Ambition is an eye opening account of a tech industry executive who overcame fear and hopelessness to turn his blindness disability into a powerful competitive strength While most people were preparing for the adventure of adult life Chad E Foster was watching the world he grew up with fade to black but that didn't stop him from becoming the first blind person to graduate from the Harvard Business School leadership program and climbing the corporate ladder as a successful finance sales executive With determination ambition and drive Chad created what Oracle said would be impossible He gave millions of people the ability to earn a living by becoming the first to create customer relationship software for the visually impaired Even if you've been robbed of your self identity and dreams for the future you can change your story and achieve your goals In Blind Ambition readers and listeners will be inspired by Chad's story of how he transformed the loss of his vision into a gift with unique strengths and abilities he did not have before See how we choose the stories we tell ourselves about our circumstances and how this either limits us or propels us toward our goals Gain new perspective on what is possible when you shift your mindset give up making excuses and decide that you oversee who you want to be Learn the mental model that Chad uses to quickly overcome frustrations and stressors Overcoming the challenges of blindness improved Chad's perspective making him more resilient and grateful for the life that he has Ultimately Chad's unforgettable lessons and outlook will inspire listeners to overcome their perceived limitations and explore new possibilities where they once may have only seen obstacles Blind Ambition will teach you how to take advantage of your disadvantages *Blind Ambition*,2017 [By the Stroke of My Hand](#) Thomas Clelland,2022-03-31 Within these pages of this little book you find a small collection of Thomas's favorite poems Thomas had a stroke in 0202 resulting in numbness down the whole of the left side of his body and often falls as not able to feel the ground beneath his feet He is still not fully steady on his feet but still ventures out into the community Thomas's secret to staying hopeful is to never give in when your chips are down After the stroke he became more interested in painting pictures of his local area bringing his poetry alive Thomas's poetry takes the reader on a journey where there is only fun laughter and reflective moments of stillness and pause sprinkled with a little star dust Pure magic [Show Me a Nigger and I'll Show You a Racist](#) Yahdon Israel,2009-05 History has been taught through illusions in order to divide and establish power These constant illusions force the Psychopathic Genius to develop a stream of consciousness that evokes a maladaptive schizophrenic disposition In this schizophrenic state the Psychopathic Genius manifests recurring illusions that were once used to control as a means of controlling As the story progresses these illusions become so cliché that it forces the Psychopathic Genius to rebuke societal doctrine This epic doesn't evolve instead it shows the continual war that we all fight Protagonist vs Antagonist God vs Satan Adam vs Eve Rich vs Poor Old vs New Parent vs Child Black vs White Right vs Wrong Morality vs Judgment Society vs Individual Master vs Slave and most pertinent to the Psychopathic Genius Nigger vs Racist
