The Manchester Blitz lasted two nights in December 1940 when around 1 000 people were killed and more than 3 000 injured This book focuses on the reaction by the local and regional newspapers of Manchester which was Britain s second press centre at the time to this heavy bombing

**Armageddon Fed Up With This** Derek Nudd,2015-01-28 In 1940 Eric Nudd like millions of others found himself unexpectedly in uniform a raw conscript in a heavy anti aircraft regiment He grew over the next five years into a seasoned professional with the Normandy and North West European campaigns under his belt A previously unsuspected talent for maths took him from heaving shells to fire control and then radar giving him a ringside view of the manic wartime technology race As a Fleet Street journalist prolific letter writer and occasional poet Eric published improvised news sheets from a succession of gun sites and dugouts Armageddon Fed Up With This A Gunner s Tale is told by a civilian in uniform who was an acute observer and literate recorder of what he saw His wry sometimes scathing observations on the humour and idiocy of army life and the military political and cultural events of the time are set against the global cataclysm going on around him The author Derek Nudd colours in the background for those of us lucky enough to have missed it Inspired by authors such as Cyril Demarne and Spike Milligan Armageddon Fed Up With This provides a new perspective from underneath on the anti aircraft forces who for a while after the fall of France were the only part of the army shooting back This book will appeal to readers who enjoy historical and military biographies and provide new insights for students of the period The title was a contemporary joke

**Myths and Legends of the Second World War** James Hayward,2009-09-23

The Second World War gave rise to a rich crop of legends many of which persist in the public consciousness today Some are well known such as the

escape of an undead Hitler to South America Allied aircraft buzzed by Foo Fighters and UFOs German parachutists dressed as nuns and a failed German invasion of Suffolk in 1940 Others are more subtle such as the vaunted Dunkirk spirit which portrayed the disaster of 1940 as a victory and the conspiracy theories surrounding Rudolf Hess Did he fly to Scotland to negotiate a peace treaty with members of the Royal Family Was the aged prisoner who died in Spandau Prison a double From tales of betrayal at Dieppe and Arnhem to Hitler s obsession with the occult and Nazi U boat bases in Ireland James Hayward offers a refreshing and intriguing perspective on the myths legends and folk memories of the Second World War Spitfire! Dilip Sarkar,2019-09-30 A really excellent detailed comprehensive and moving history of 19 Squadron RAF during the Second World War from the author of Arnhem 1944 Clash of Steel As a child Dilip Sarkar was fascinated by the haunting image of an anonymous RAF Spitfire pilot Taken minutes after landing from a Battle of Britain combat this was Squadron Leader Brian Lane DFC the commander of 19 Squadron based at Fowlmere Deeply moving was the discovery that in 1942 Brian was reported missing after a futile nuisance raid over the Dutch coast During the mid 1980s Dilip began researching the life and times of both Brian Lane and 19 Squadron forging close friendships with many of the unit s surviving Battle of Britain pilots and support staff Nearly thirty years later sadly all of the survivors are now deceased but Dilip s close relationship has provided a huge archive of correspondence and interviews in addition to a unique photographic collection Furthermore the author a retired police detective has thoroughly investigated the life and death of Squadron Leader Lane This completely new Spitfire covers everything we would ever need to know about such a unit during the critical pre and early war period the social political aviation and military history all in one volume emphasizing the human experience involved and the stories of casualties With an immense photographic collection many published here for the first time this book is destined to become a classic The most thorough book about any squadron in RAF service during the Battle of Britain an impeccable source of information and a gripping story Most Highly Recommended Firetrench **Spitfire Ace of Aces** Dilip Sarkar,2011-07-15 The biography of the RAF s top fighter pilot Johnnie Johnson who shot down more enemy aircraft than any other pilot during the Second World War *When Britain Saved the West* Robin Prior,2015-01-01 How Britain standing alone persevered in the face of near certain defeat at the hands of Nazi Germany From the comfortable distance of seven decades it is quite easy to view the victory of the Allies over Hitler s Germany as inevitable But in 1940 Great Britain s defeat loomed perilously close and no other nation stepped up to confront the Nazi threat In this cogently argued book Robin Prior delves into the documents of the time war diaries combat reports Home Security s daily files and much more to uncover how Britain endured a year of menacing crises The book reassesses key events of 1940 crises that were recognized as such at the time and others not fully appreciated Prior examines Neville Chamberlain s government Churchill s opponents the collapse of France the Battle of Britain and the Blitz He looks critically at the position of the United States before Pearl Harbor and at Roosevelt s response to the crisis Prior concludes that the nation was saved through a combination of political

leadership British Expeditionary Force determination and skill Royal Air Force and Navy efforts to return soldiers to the homeland and the determination of the people to fight on in spite of all terror As eloquent as it is controversial this book exposes the full import of events in 1940 when Britain fought alone and Western civilization hung in the balance **Air Pictorial** ,1990 **Boys' Life** ,1970-10 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Broken Eagles* Bill Norman,2001 Broken Eagles is the first of a two volume work recording all of the known losses of Luftwaffe aircraft over the north east of England from the Humber to the Tweed during the Second World War This volume covers Yorkshire and its coastline **BAR International Series** ,2001
