Blizzard A Novel:

The Children's Blizzard Melanie Benjamin, 2022-01-11 From the New York Times bestselling author of *The Aviator's Wife* comes a story of courage on the prairie inspired by the devastating storm that struck the Great Plains in 1888 threatening the lives of hundreds of immigrant homesteaders especially schoolchildren A nail biter poignant powerful perfect Kate Quinn author of *The Alice Network* The morning of January 12 1888 was unusually mild following a punishing cold spell It was warm enough for the homesteaders of the Dakota Territory to venture out again and for their children to return to school without their heavy coats leaving them unprepared when disaster struck At the hour when most prairie schools were letting out for the day a terrifying fast moving blizzard blew in without warning Schoolteachers as young as sixteen were suddenly faced with life and death decisions Keep the children inside to risk freezing to death when fuel ran out or send them home praying they wouldn't get lost in the storm Based on actual oral histories of survivors this gripping novel follows the stories of Raina and Gerda Olsen two sisters both schoolteachers one becomes a hero of the storm and the other finds herself ostracized in the aftermath It's also the story of Anette Pedersen a servant girl whose miraculous survival serves as a turning point in her life and touches the heart of Gavin Woodson a newspaperman seeking redemption It was Woodson and others like him who wrote the embellished news stories that lured northern European immigrants across the sea to settle a pitiless land Boosters needed them to settle territories into states and they didn't care what lies they told these families to get them there or whose land it originally was At its heart this is a story of courage of children forced to grow up too soon tied to the land because of their parents' choices It is a story of love taking root in the hard prairie ground and of families being torn asunder by a ferocious storm that is little remembered today because so many of its victims were immigrants to this country
