Murray,2001-06 A step by step exploration of why the blood of Christ is so important to Christians from master theologian Andrew Murray **The Pattern the Tabernacle the Christ** Elder G. E. Jones,2008-01-14 When God gave us the Holy Scriptures He concealed beneath the surface a vast wealth of spiritual truths for His people In the tabernacle it s furniture and its service God has hidden an inexhaustible mine of precious spiritual truths For years many of us have passed over this hidden wealth unconscious of its existence But all the time it has been there awaiting our discovery Elder Jones has listed the significance of 17 Bible numbers and gives us the meanings of the materials of the tabernacle such as gold silver brass blue purple scarlet fine linen shittim wood oil salt leaven and much more Learn about the furniture of the tabernacle the ark the golden cherubim above the mercy seat the table of shewbread the candlestick the altar of incense and the duties of the priests As we attempt to walk in the midst of the truths of this ancient sanctuary may the Spirit of our God open our eyes and hearts to see Christ revealed therein May we behold His divine perfection His glorious attributes His divine love and the all sufficiency of His matchless grace From the author of That Ye May Marvel or The Significance of Bible Numbers and A Verse by Verse Commentary on Revelation It was therefore necessary that the patterns of things in the heavens should be purified with these but the heavenly things themselves with better sacrifices than these For Christ is not entered into the holy places made with hands which are the figures of the true but into heaven itself now to appear in the presence of God for us Hebrews 9 23 24 **Sevenfold blessing; or, Perfect salvation through the blood of Christ** James Gosset- Tanner,1880 In the Heart of Bantuland Dugald Campbell,1922 **The Sword Book of Treasures** ,2000-08 **King David, Innocent Blood, and Bloodguilt** David J. Shepherd,2023-04-21 Of all the characters bequeathed to us by the Hebrew Bible none is more compelling or complex than David Divinely blessed musically gifted brave and eloquent David s famous slaying of Goliath also confirms that he is a redoubtable man of war Yet when his son Absalom rebels David is dogged by the accusation that he will lose his kingdom because he is not merely a man of war but a man of bloods guilty of shedding innocent blood In this book for the first time this language of innocent blood and bloodguilt is traced throughout David s story in the books of Samuel and 1 Kings The theme emerges initially in Saul s pursuit of David and resurfaces regularly as David rises and men like Nabal Saul Ishbosheth and Abner fall Innocent blood and bloodguilt also turn out to be central to David s reign This is seen in a surprising way in David s killing of Uriah but also in the subsequent deaths of his sons Amnon and Absalom his general Amasa and even in David s encounters with Shimei The problem rears its head again when the innocent blood of the Gibeonites shed by Saul comes back to haunt David s kingdom Finally the problem reappears when Solomon succeeds David and orchestrates the executions of Joab and Shimei and the exile of Abiathar Attending carefully to the text and drawing extensively on previous biblical scholarship David J Shepherd suggests that innocent blood is not only a pre eminent concern of David and his story in Samuel and 1 Kings but also shapes the entirety of David s history *Blood Redemption* Tessa Dawn,2013-10-01 Saber Alexiares is no ordinary vampire He is like a cruel fire breathing dragon Reared in the bowels of the
