Blood and Judgment Jonathan Havard, 1985-01-01 *Blood and Judgement* Lars Walker, 2003-12-01 *TIMES OUT OF JOINT* All Will Sverdrup wanted was to play Hamlet in an amateur production He never counted on getting sucked back in time into the body of the original historical Hamlet in 6 Century Denmark His fellow actors along with the real Hamlet never expected to be transported to an alternate universe where Shakespeare's play was real with them perfectly placed to live and die their parts But that's what happened Now they have to decide they play their roles out all the way to the bloodbath at the end or do they try to break the play and save their lives The play may be stronger than they are And if it's not there's always the giant tentacled monster that hitched a ride with them a complication Shakespeare never foresaw At the publisher's request this title is sold without DRM Digital Rights Management *Praise for Year of the Warrior* by Lars Walker many fierce battles both with men and with sendings from the other gods a Norse saga introspective and bloody *VOYA* rowdy action and a realistic look at the human and spiritual costs of religious and cultural conversion *Florida Today*
