**Jewish Blood Is No Longer Cheap** Alan Dershowitz, 2025-12-16 *Jewish Blood Is No Longer Cheap* draws stark parallels between current threats to Jews and Israel and the pre Holocaust era in 1930s Germany Invoking the Talmud's directive to preemptively defend against killers it criticizes historical Jewish underreactions due to fears of overreacting citing figures like Rabbi Stephen Wise and Felix Frankfurter Professor Alan Dershowitz argues that Israel's military response to the October 7 2023 Hamas massacres killing over 1 400 Israelis was a justified overreaction to centuries of cheap Jewish blood emphasizing deterrence over proportionality It rejects genocide accusations contrasting Israel's collateral civilian deaths with Nazi extermination and Allied WWII bombings The text explores the civilian combatant continuum in Gaza questioning the innocence of massacre supporters and doubting Hamas's casualty figures It advocates population transfers for peace citing post WWII examples like Sudetenland and K nigsberg proposing a demilitarized rebuilt Gaza as a Singapore on the Mediterranean Dilemmas of hostage retrieval in democracies are examined weighing military needs against family pressures

Israel is urged to prioritize security over public relations amid global bias and embody both Sparta's military prowess and Athens's technological and intellectual strength to counter threats like Iran's nuclear ambitions Dershowitz calls for adapting morality preemptively against immoral foes to prevent recurrence He warns of a pincer attack from right wing e.g. Tucker Carlson and left wing extremists e.g. The Squad posing political dilemmas for Jews and advocates proactive steps to avert future disasters

**Diplomats & Terrorists - Or: How I Survived a 61-day Cocktail Party** Diego Asencio,2011-07-28 American Ambassador Diego Asencio bravely reconstructs his 61 days of captivity in Bogota Colombia The siege takes place at the Dominican Republic Embassy and is carried out by Colombia's revolutionary M19 guerrilla organization This book is a rare look at how the captive diplomats played a large role in securing freedom It is also testimony that given time and effort the honest practice of conflict resolution can bring positive results It is a small miracle that only one person died during this epic takeover Much credit must be given to the diplomats in captivity Ambassador Asencio is a polished writer and does an outstanding job of objectively describing the highs and lows of his days as a hostage

**The Blood of Israel** Serge Groussard,1975 **The Blood Covenant** Henry Clay Trumbull,1893 *T.K. Tagin* T.K. Tagin,2025-08-05 The Aching Mori massacre remains a grim testament to the suffering and resistance of the Tagin community against systemic oppression Rooted in forced donations and the exploitative Jorimona system during Kebang indigenous tribes endured harsh subjugation under colonial expeditions that masked exploitation as governance These operations employed violence cultural erasure and forced labor to dismantle tribal identity In response the Tagins resisted fiercely not merely to survive but to defend their dignity and heritage The massacre that followed was a brutal act of repression aimed at silencing defiance through terror Yet this tragedy became a symbol of unyielding resistance inspiring future movements and asserting the people's right to self determination Though soaked in sorrow the Aching Mori massacre embodies the strength and resilience of a community that refused to be erased By remembering their struggle we honor their legacy and keep alive the spirit of justice resistance and hope for future generations
