## **Blood Reins A Detective Sandra Cameron Mystery:**

Blood Reins Michael Joens, 2013-07-09 Working with her beloved quarter stallion Buster Brown at a horse show competition Detective Sandra Cameron begins to recover from the shooting that took her partner's life and nearly her own. Her hard won peace of mind however is shattered by the death of Chet Gundry a world renowned horse whisperer, diabetic and dear friend. Chet was a superstar in the equestrian universe until someone spiked his insulin vial and reined him in permanently. When Sandy discovers that her colleague Burbank detective Tom Rigby considers her a prime suspect in Chet's murder her emotional and spiritual recovery is shaken to the core. A second murder of an equestrian insider forces Sandy back on track. Putting aside their now shaky relationship Sandy and Tom must pool their resources in order to stop a killer who will kill again and again to cover up a federal crime that would blow the lid off the equestrian industry. Set against a dazzling Southern California milieu of high dollar quarter horse shows, world class stallions and breeders with enormous egos, Blood Reins is a fast paced police procedural that explores a deadly arena where the crowning of champions can provoke murderous consequences. Joens successfully mines the world of California horse breeding. Publishers Weekly, 2005      The Publishers Weekly, 2005      American Book Publishing Record, 2003
