Metis: Mixed Blood Stories Lynn Ponton, 2011-07-25 The Metis are the descendants of Cree and Assiniboine women who joined with French and Scottish men to raise children and shape a hybrid culture in the heart of Canada. In *Metis Mixed Blood Stories* four generations of adolescents come of age during their sixteenth year. Together their voices tell the story of one family and of a people. Matriarch Angeline describes her ride on the last great buffalo hunt of the 1860s and her relationship with charismatic Metis leader Louie Riel. Her grandson Gilles relates his escape from a Chicago orphanage and his fight to stay out of reservation school. Gilles's daughter Elisabeth fights to protect the rights of native youth in the violent 1968 U.S. Democratic Convention. The novel closes with the vibrant voice with which it begins that of great granddaughter Annie whose creativity as a young author and filmmaker will ensure that the legacy of their culture lives on.
