

VICTORIA BLAKE

BLOODLESS SHADOW

Bloodless Shadow

N Colangelo

Bloodless Shadow:

Bloodless Shadow Victoria Blake, 2003 Blake's debut novel introduces Oxford educated private eye Samantha Falconer. While working in London Sam is summoned home by her brother to investigate the disappearance of a young woman and confront the trauma she's tried so hard to forget.

Far Away Victoria Blake, 2015-07-09 A tale of grief, survival, and the inescapability of the past. In an Italian prison camp in the summer of 1942, British officers captured in Africa are starving. It is in these unpromising circumstances that two men, Michael Armstrong and Harry Maynard, first meet. Before the war, Michael, the son of a Norfolk teacher, was expected to embark on a glittering career in law. Harry is the son of a Hull tram conductor. To relieve the boredom of captivity, Michael suggests that they write together. Initially dismissive, Harry finally agrees, and the two men begin to write side by side in the same notebooks. While Michael produces an autobiographical account of his war, Harry writes a fairytale about an orphan girl, Pelliger, who is raised by crows and longs to fly. Centring around her quest for identity, he writes about the most powerful human impulse of longing for love. Many years later, Michael's son Ian is selling his father's house and stumbles across his wartime notebooks. His dad never spoke about the war, but now Ian finds himself encountering a father he never knew. At a charity lunch, Ian meets Rose, Harry's elderly sister, and her daughter, Clare. Rose identifies Harry as the writer of the fairytale and explains that she longs to find out what happened to her brother as he never returned home from Italy. She later confides in Ian about her brief encounter with Michael, which led to the birth of Clare. After learning the truth, Ian and Clare decide to travel to Italy to try and solve the puzzle of what really happened to Harry. *Far Away* paints a vivid and compelling picture of the lives of POWs in Italy and also the lives of the Italians who risked everything to save them. This book will appeal to fans of historical fiction, particularly those with an interest in World War II.

Shadow's Keep: A Gritty Psychological Crime Thriller Meghan O'Flynn, 2018-05-12 A compulsively readable thriller in the vein of Rachel Abbott, Lucinda Berry, and Gillian Flynn. *Shadow's Keep* is a mind-bending exploration of obsession, desperation, and how far we'll go to protect those we love. Get this suspenseful standalone ebook today. Dark, intense, and addictively twisted.

Bestselling Author Kristen Mae: **WHAT YOU CAN'T SEE CAN KILL**. Deputy Sheriff William Shannahan doesn't feel like a detective at least, not like the ones he admires on TV. Not that he needs to be. The small town of Graybel, Mississippi, is a peaceful place with acres of farmland, neighbors who always take care of their own, and noise from the outside world muted by a hundred miles of forest. That silence is about to be broken. When a child is found dead in the woods, the medical examiner deems it a dog attack. But the paw prints belong to something far larger than any creature in the Mississippi forests, and what animal would remove the victim's eyes? Though no one believes him, William can't shake the feeling that a human killer lurks in the shadowed woods. And his girlfriend, Cassie, has a son the same age as the victim. Cassie Parker was raised amid horrors she's long pushed from her mind, but her scars won't let her forget. Nor do the hallucinations, dreams so vivid she can feel and smell and taste them. And no one is more terrified than Cassie when another victim is found.

mauled to death because this body has been drained of blood She knows exactly what type of person would sacrifice a child and why they re after hers But how can she explain it to William This is William s chance to act like a detective to protect the woman and child he s desperate to save Pushing back against prejudice and presumption he uncovers a trail of cruelty that spans decades but each clue brings him closer to a truth more horrifying than killer beasts in the forest For concealed beneath small town politics is knowledge that will shatter everything he knows to be true about his town and the people in it O Flynn weaves elements of the procedural and the occult into a masterful psychological thriller replete with staggering unpredictable twists Readers should beware any notion that they can predict the ending of Shadow s Keep Believe me reader you cannot Bestselling Author Wendy Heard KEYWORDS female protagonist serial killer novels female serial killer amateur sleuths whodunnit mystery whodunit thriller psychological suspense suspense fiction suspense book nail biting fiction nail biter mystery vigilante justice edge of your seat suspense dark crime serial killer kidnapping revenge vengeance hardboiled mystery suspense thriller series hard boiled mysteries female protagonist pulp murder noir noir thriller crime noir hard boiled mystery police procedural crime noir gritty detective novels psychological thrillers serial killers crime thrillers crime fiction hard boiled detective hardboiled detective fiction hard boiled noir hard boiled crime gritty mysteries mystery books psychological thrillers psychological suspense psychological thriller books noir pulp nail biter mysteries wise cracking detective detective partners crime fiction murder mystery serial killer thriller whodunit whodunnit nail biter intense mystery suspense fiction family drama small town mystery occult thriller occult mystery dark and suspenseful *The Cornhill Magazine* William Makepeace Thackeray,1875 **Century Monthly Magazine** ,1926 *The Cornhill Magazine* ,1875 Hamlet Shakespeare,1905 *Tricotrim.
