A. Writer,2022-04-20 While our moon stops a meteor from slamming into Earth the ensuing aftermath of the event sought to destroy the planet anyway Meteor showers sprinkled the Earth s surface killing hundreds of thousands while the huge rock that hung suspended in space beside our moon began changing humanity s existence forever Invoking volcanic eruptions landslides and inclement weather that ravaged the planet followed by The Great Flood The environmental destruction forced the remaining survivors underground only emerging years later once the tumult on the surface had subsided It was then that people began to find out about the lunar effects that the new moon had on humans When humans finally re emerged from underground they encountered the Domino a militant group of people intent on organizing humankind in any way possible With evolution intervening in some members of the human species due to the arrival of the new moon they were granted the bloodline gene cave dwellers and surface dwellers alike This gene allowed for a second personality to inhabit the mind being conceived at the same time as the persons moment of conception When it speaks only it s host can hear it and what the host see s the inhabitant sees as well An inner manifestation of who they truly were would be there to offer the most intimate of advice and the ugliest of truths Or it will take over the body to preserve its own life For nothing can be hidden from one that dwells within your mind And no better comfort can be felt from one who in spite everything loves you anyway Isaac Brothis inhabited by the gray wolf Cirgeo and his wife and fellow soldier in arms Gwendolyn inhabited by the arctic wolf Kira both find out that the Domino isn t at all as friendly as they claimed to be on the surface Over the years they experience a change of heart deciding to go on the run with their five year old son as a last ditch option Fighting separate battles within themselves the couple must work together to do everything they can to protect their family on the road to freedom This Bonnie and Clyde supernatural tale is set in a world where an inhabitant

could be born from an individual's personality to live out its days inside of its host's mind. When the hosts breathe their inhabitant takes that same breath. Can the couple find a balance long enough to survive the nation-wide man hunt with their son in tow being public enemy number one and two? The Bloodline Chronicles Tosha Washington, 2017-07-26. Charolette is faced with an impossible choice she can run forever in fear for her life or she can travel to a realm where she is a fugitive princess to align herself with seven rebel nations and try to take back the throne. The odds of success are insurmountable but determined not to live a life of fear she chooses bravery and her only chance for a normal life. Charolette Joy is a normal teenage girl until the day she turns seventeen and everything changes. Monsters suddenly start creeping from the shadows and her nightmares materialize. A stranger Samuel Robinson reveals himself and calls himself her protector just as the deaths of her aunt and uncle force Samuel and Charolette racing for their lives and to one of Samuel's immortal friends. Along the way courageous individuals join the cause against the cruel ruler Malgar making their party diverse in ways Charolette never expected. The beautiful redheaded Alicia Montenegro aids her knowledge of enchantments and spells how could she not when she graduated top of her class at the Barnacle Academy surpassing all the other merpeople from her home. Peter the funny and lighthearted blond immortal keeps things real with

the brighter side when things grow bleak even though he has a dark side himself Francesca DeCosta a fairy appoints herself as team leader as they all race to Stonehenge to change Charolette's scent to remain hidden from the monstrous creatures called skinwalkers that killed and took the places of her aunt and uncle Most importantly is Samuel Robinson for he had kept Charolette safe for years since the deaths of her parents The protector is kind but clumsy and nervous and despite Charolette telling him everything she knows little about the cursed protector that was put in charge against the council's knowledge He is shrouded in mystery and his emotions are a little difficult to read at times but the bottom line is he is the only one Charolette can completely trust Just as the group grows comfortable four more loyal people join announcing the presence of a traitor meaning to undermine the mission and take Charolette's life in the process Charolette's quest grows even more difficult by the people's disbelief that a woman can lead and having to answer to the council she must travel to each of the seven loyal nations of giants unicorns fairies merpeople trolls dragons and Immortals and face seven trials to receive a piece of a powerless ancient relic to prove her worth Having to constantly be on guard that the traitor can attack at any time she finds it hard to gather the courage it will take to continue but finds a glimmer of hope in a most unexpected way *The Bloodline Chronicles* Tosha Washington,2016-05-10 In the *Bloodline Chronicles* Rebirth of Light Charolette Joy embarks on an otherworldly mission with her mysterious protector Samuel With a dark power on the rise it's up to them and an unlikely group of friends to reclaim the magical realm of Annwn through trials to restore Charolette the last heir to the throne to her rightful place as queen The agony didn't last long before the heat overwhelmed my ankle and dampened my anguish tremendously My fingers twitched slightly but that was the only thing I was able to do Fingers ran through my hair carefully and only stopped when they found the wound behind my ear and lightly pressed to bring the heat in one tidal wave Now my head took swimming to a whole new level as the black abyss loomed under me once more before suddenly clearing The agony was replaced with a rush of relief and rest Sleep now the man whispered softly lightly touching my temples with two fingers My uncle hadn't pursued me but that voice and the simple facts that lay in front of me were unmistakable All reason and sense abandoned me as the blackness swelled over my mind and sleep began to overtake me There was no plausible way I could explain what had happened but what I did know was that the stranger Samuel Robinson had just saved my life *The Bloodline Chronicles* Stephen Rowe,2012-07-17 This is a 30 page introduction to a book i am working on It follows a boy named Joseph who dreams of stardom and fame however unknown to him his family shares a dark secret hidden in their blood A secret that could destroy all Joseph holds dear and force him to choose between what his ancestors did before him or a dark seductress that is slowly changing and driving his home town to the brink of madness **Bloodline** Katie Thornton-k.,2013-08-02 The Lands of Ayrenia was once a place that flourished with Magic until the Cataclysm an event caused by a great Mage that eradicated all Magic Three hundred years have passed since and the gods seek a way to bring Magic back into the dying world They choose Braelyn a descendant of the great Mage who is taken by pirates and sold as a
