Are You Crossing the Blood Line? Barbara Baute,2017-01-23 This is the book that will show you where you stand with Jesus Christ as our savior There's another book called the bible will tell you all about the things that come in your life That will keep you from going over the blood line Then things will start to happen in your own life That you don't have any control just leaving him is a very dangerous thing to do People don't really understand how dangerous until they walk into a place of the unknown cross road of the blood line The Blood line has a lot of parts in this book you will find them I am going to show a list of things that you will know in your heart that they can be easy to recognize in your own life Because sometime we have blindness and deafness that come into our life that we need to be able to know what right and walk into the light of life I want this book to open everyone eyes and ears to the Anointed one with his words that will make you be set free This question is very easy to recognize when you are walking down the road of decision and you don't know what to do about your life
