## **Bloody Saturday In The Soviet Union Novocherkassk 1962:**

**Bloody Saturday in the Soviet Union** Samuel H. Baron,2022 This is the first complete story long hidden by the Soviet Union of the attack by government forces on striking workers in 1962 resulting in 21 dead and hundreds of others wounded or imprisoned Only with the advent of glasnost in the 1980s did the tight lid of secrecy placed on the entire episode by the Soviets begin slowly to lift Private Life and Communist Morality in Khrushchev's Russia Deborah A. Field,2007 Drawing on previously inaccessible records this book discusses love sex marriage divorce and child rearing during Khrushchev s thaw of the 1950s and early 1960s It analyses the Soviet government s attempts to supervise private life and enforce communist morality and it describes the diverse ways in which people responded to official prescriptions Written in a lively and accessible style this book provides an innovative exploration of the interactions between Soviet ideology and everyday life

**A History Of Russia Volume 2** Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **The Long 1968** Daniel J. Sherman,Ruud van Dijk,Jasmine Alinder,A.

Aneesh,2013-07-16 Delving into a tumultuous year s impact on art culture and politics this book illuminates the often overlooked histories of 1968 The Journal of American History From the mid 1960s to the early 1970s revolutions in theory politics and cultural experimentation swept around the world These changes had as great a transformative impact on the right as on the left A touchstone for activists artists and theorists of all stripes the year 1968 has taken on new significance for the present moment which bears certain uncanny resemblances to that time The Long 1968 explores the wide ranging impact of the year and its aftermath in politics theory the arts and international relations and its uses today **Soviet State**

**and Society Under Nikita Khrushchev** Melanie Ilic,Jeremy Smith,2009-04-06 This book examines the social and cultural impact of the thaw in Cold War relations decision making and policy formation in the Soviet Union under Nikita Khrushchev With individual case studies exploring key aspects of Khrushchev s period of office it offers an important new perspective on the Khrushchev era *The Oxford World History of Empire* Peter Fibiger Bang,C. A. Bayly,Walter Scheidel,2020-12-02 This is the first world history of empire reaching from the third millennium BCE to the present By combining synthetic surveys thematic comparative essays and numerous chapters on specific empires its two volumes provide unparalleled coverage of imperialism throughout history and across continents from Asia to Europe and from Africa to the Americas Only a few

decades ago empire was believed to be a thing of the past now it is clear that it has been and remains one of the most enduring forms of political organization and power We cannot understand the dynamics and resilience of empire without moving decisively beyond the study of individual cases or particular periods such as the relatively short age of European

colonialism The history of empire as these volumes amply demonstrate needs to be drawn on the much broader canvas of global history Volume Two The History of Empires tracks the protean history of political domination from the very beginnings of state formation in the Bronze Age up to the present Case studies deal with the full range of the historical experience of empire from the realms of the Achaemenids and Asoka to the empires of Mali and Songhay and from ancient Rome and China to the Mughals American settler colonialism and the Soviet Union Forty five chapters detailing the history of individual empires are tied together by a set of global synthesizing surveys that structure the world history of empire into eight chronological phases
