Bloomsbury Guide to Women's Literature Claire Buck,1994 The Bloomsbury Guide to Women's Literature Claire Buck,1992 Provides biographies novel synopses poems plays and essays by or about women and discusses feminist literature

The Canon in Southeast Asian Literatures David Smyth,2000 The literary canon is one of the most lively areas of debate in contemporary literary studies This set of essays is both timely and original in its focus on the canon in South East Asian literatures covering Burma Cambodia Indonesia Laos Malaysia Philippines Thailand and Vietnam They vary in focus from the broad panoramic survey of trends in a national literature to very specific discussions of the role of individuals in shaping a canon or the place of a particular text within a tradition and from contemporary to traditional literature They include discussions of the development of prose fiction censorship and artistic freedom the role of westerners in codifying indigenous literatures the writing of literary history the development of literary criticism and indigenous aesthetics

Reference Guide to Russian Literature Neil Cornwell,2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public Guide to Womens Literature-Columbia

Bloomsbury Publishing Plc, Guide to Womens Literature Bloomsbury Publishing Plc,1992-08-01 **Walford's Guide to Reference Material: Generalia, language and literature, the arts** Albert John Walford,1998 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories **Transforming the**

Disciplines Renee P Prys,Mary Jane Cherry,Susan Popham,Elizabeth L Macnabb,2013-10-31 A jargon free non technical and easily accessible introduction to women s studies All too many students enter academia with the hazy idea that the field of women s studies is restricted to housework birth control and Susan B Anthony Their first encounter with a women s studies textbook is likely to focus on the history and sociology of women s lives While these topics are important the emphasis on them has led to neglect of equally important issues Transforming the Disciplines A Women s Studies Primer is one of the first women s studies textbooks to show feminist scholarship as an active force changing the way we study such diverse fields as architecture bioethics history mathematics religion and sports studies Although this text was designed as an introduction to women s studies it is also rewarding for upper level or graduate students who want to understand the pervasive effects of feminist theory Most chapters provide a bibliography or list of further reading of significant works Its clear jargon free prose makes feminist thought accessible to general readers without sacrificing the revolutionary power of its ideas In almost thirty

essays covering a broad range of subjects from anthropology to chemistry to rhetoric Transforming the Disciplines exemplifies the changes achieved by feminist thought Transforming the Disciplines combines a high standard of writing and scholarship with personal insight includes both traditional academic arguments and alternative non agonistic forms of discussion embraces an international scope challenges traditional assumptions models and methodologies offers an inter and multidisciplinary approach strengthens readers understanding of the big picture not only for women but for all disempowered groups critiques feminism as well as patriarchal society Feminist theory is grounded in a questioning of traditional assumptions about what is right natural and self evident not just about the roles and nature of men and women but about how we think what we teach whose experience matters and what is important Transforming the Disciplines is the first textbook to show the consequences of those questions not the answers themselves but the consequences of the willingness to ask and the transformations that have occurred when the right answers changed Walford's Guide to Reference Material: Generalia, language & literature, the arts Albert John Walford, Marilyn Mullan, Anthony Chalcraft, 1993 This book has achieved international recognition as a reference tool and a one stop daily information source This new edition features many topics and is indispensable to librarians and information professionals revising reference collections etc

Walford's Guide to reference material. Albert John Walford, 1995 **A Short Guide to Writing about Literature** Sylvan Barnet, William E. Cain, 2005 The tenth edition of A Short Guide to Writing about Literature continues to offer students sound advice on how to become critical thinkers and enrich their reading response through accessible step by step instruction This highly respected text is ideal as a supplement to any course where writing about literature or literary studies is emphasized New to the Tenth Edition A prefatory Letter to Students introduces students to the importance of writing about literature New Chapter 1 What Is Literature and Why Write About It Chapter 2 features new material on critical thinking Epigraphs have been added to the beginning of each chapter to engage the attention of students and instructors Seventeen Rules for Writers have been added to various chapters Tips and practical suggestions are highlighted throughout the text Four checklists have been added basic matters revising for clarity revising for conciseness and reviewing a revised draft Two poems one by Emily Dickinson and one by Edna St Vincent Millay and a fable by Aesop have been added Book jacket **Subject Guide to Books in Print**, 1975 A Guide to Literary Criticism and Research Bonnie Klomp Stevens, Larry L. Stewart, 1996 Like the first two editions of A Guide to Literary Criticism and Research this edition is based both on a recognition of a practical need felt in many literature courses and a view of literary study It attempts to meet the practical need by offering upper level students a condensed but adequate guide to the range of modern criticism and to basic methods of research In addition it is a hope that the book will give students a more comprehensive view of literary study by helping them to recognize criticism and research as two closely linked parts of a single process **Literary Research Guide** James L. Harner, 2008 James L Harner s Literary Research Guide which Choice calls the standard guide in the field

evaluates important reference materials in English studies Since the publication of the first edition in 1989 tens of thousands of students and educators have used the Guide as an aid to scholarly research In the new edition Harner has added entries describing resources published since May 2001 and has revised nearly half the entries from the fourth edition The fifth edition contains more than 1 000 entries which discuss an additional 1 555 books articles and electronic resources and cite 723 reviews Readers of earlier editions will notice the inclusion of substantially more electronic resources particularly reliable sites sponsored by academic institutions and learned societies to account for the proliferation of bibliographic databases text archives and other online resources This edition also features a new section on cultural studies Singapore Studies Beng Huat Chua, Basant Kapur, 1986 This edition brings up to date a decade of research work developments of the Faculty of Arts and Social Science National University of Singapore since the first volume was published in 1985 The state of the respective disciplines covered are reviewed in terms of notable theoretical and conceptual developments major benchmarks during the past decade and research lacunae that need to be addressed as well as their substantive developments and contributions in the Singapore context and possible future directions resulting in a collection of essays that places the Faculty's studies in an international comparative framework **A Guide to Reference Books for Small and Medium-sized Libraries, 1984-1994** G. Kim Dority, 1995 Describes evaluates and compares more than 1800 reference titles suitable for small and medium sized libraries Covering books in all subject areas published between 1983 and 1993 this work focuses on recent titles Items in non print format such as CD ROMs are also cited *The Journal of Commonwealth Literature*, 1994 One number each year includes Annual bibliography of Commonwealth literature *A Reader's Guide to Contemporary Literary Theory* Raman Selden, Peter Widdowson, Peter Brooker, 1997 The fourth edition of this reader's guide remains true to the ideals of previous editions providing a concise guide to contemporary literary theories The book covers a vast range of differing forms of English literature **New Books on Women and Feminism**, 1993 **Incriminating Women** Theresa D. Kemp, 1994
