Blue Air Kate Gale, 1995 **Blue Air** Kate Gale, 1995-08-01 **Blue Air** John Perreault, 197? Modernism's Whims Beci Carver, 2026-02-03 Thomas Hardy asks of the ghost stalking him Whither O whither will your whim now draw me Immediately tripping up on its own laid out comma then pausing to howl theatrically and hedging its bets with a stuttering archaic whither that sceptically hovers between where and whether this line has already begun to worry about where it is going or being whim drawn On the other hand it enjoys its worry over performs the conundrum It is a whim addressing a whim Beci Carver s *Modernism's Whims* is a book about whims their tyrannies arbitrariness ultimate frivolity how they may feel urgent for all their lightness while still letting you play letting you go letting you off the hook The book is at once a meditation on the whim as a phenomenon and an endeavour to track the specific albeit necessarily intangible literary whims of four modernist writers Hardy T S Eliot William Empson Elsie Elizabeth Phare Moving counter to the otherwise professionalised spirit of modernism these literary whims and their author sponsors are imagined to occupy a fugitive position within the broader movement their progress dangerously silly Carver situates modernism after whim s Golden Age in the mid nineteenth century at a literary historical moment when authors were expected to know what they were about Hardy s stalker ghost is on the run **The life of Christ, a poem** miss Stapleton, 1876 **Twentieth-century Poetry** John Drinkwater, Henry Seidel Canby, William Rose Benét, 1929 Festus: a Poem Philip James Bailey, 1875 *A Treasury of Irish Poetry in the English Tongue* Stopford Augustus Brooke, Thomas William Rolleston, 1910 Anthology of Magazine Verse for ... and Year Book of American Poetry, 1916 *Apples of gold by starlight [a daily poem illustrating a verse of the Bible]*. miss Stapleton, 1873 **Writings in Prose and Poetry** James Russell Lowell, 1890 A Junior Anthology of World Poetry Mark Van Doren, Garibaldi Marto Lapolla, 1929 The Cambridge Book of Poetry and Song Charlotte Fiske Bates, 1910 An Index to Poetry and Recitations Edith Granger, 1918 **Poetry** Harriet Monroe, 1928 The Writings of James Russell Lowell in Prose and Poetry James Russell Lowell, 1897 **The Writings of James Russell Lowell in Prose and Poetry ...: Literary essays** James Russell Lowell, 1898 *Walt Whitman and the Making of Jewish American Poetry* Dara Barnat, 2023-08 Walt Whitman though not a Jewish poet has served as a crucial figure within the tradition of Jewish American poetry starting in the mid nineteenth century until today However the genealogy of Jewish American poets responding to Whitman is wider and more nuanced than often recognized Due to Allen Ginsberg s overt adoption of Whitman it is often believed that Ginsberg is the only Jewish American poet to have engaged with Whitman s poetic style and democratic ethos This book reveals how the lineage of poets responding to Whitman extends far beyond Ginsberg and that Ginsberg himself receives Whitman through earlier Jewish American poets like Charles Reznikoff This project presents such a genealogy of poets in dialogue with Whitman and each other from Emma Lazarus and Adah Isaacs Menken through twentieth century poets such as Charles Reznikoff Karl Shapiro Kenneth Koch Muriel Rukeyser Adrienne Rich Marge Piercy and Alicia Suskin

Ostriker Gerald Stern and beyond By researching Whitman s role in this tradition systematically in the work of individual poets and in the framework of Jewish American poetry more broadly this book seeks to fill a gap in the understanding of these dynamics and to invite other scholars to examine the Whitman Jewish connection A major finding in this book is that Whitman has been adopted by Jewish American poets as a liberal symbol against elements in High Modernist literary culture which the poets perceived to be exclusionary and anti Semitic Thus there is a negotiation of the vexed territory of being Jewish in America through an alignment with Whitman As such the turn to Whitman serves as a mode of exploring Jewish and American identity whereby Walt Whitman the poet is imagined to be Jewish and American

The Poets and Poetry of America Rufus Wilmot Griswold,1850 A selection of American poetry written between the country s founding and the mid 19th century Each poet s selections are preceded by a brief biographical and critical sketch
