In Times of War Dennis Mitchell, 2001 When communications were lost with the Outer Rim worlds of sector eleven the Inner Sanctum believed it to be a sign of rebellion In answer to the silence the United Colonial Navy was ordered to assemble a small task force to investigate The fleet would consist of the U C S Independence as well as a few other heavy hitters from all over the colonies enough to deal with whatever the sector s Planetary Guard might throw at them The fleet arrived expecting a fight but all they found were a number of large debris fields orbiting dead planets and a new enemy no one could stop They struck without warning or mercy their motives unknown Within just a few short weeks they had managed to decimate the United

Colonies sending our species hurtling towards the brink of extinction Only one chance remains What s left of mankind must find their way to safe harbor under the protection of the United Colonial Navy It is there that the fate of man will be determined as well as the fate of the U C S Independence and all those that choose to stand with her against the coming tide

The Third Bullet Stephen Hunter,2013-01-15 Former marine sniper Bob Lee Swagger investigates one of the most enduring controversies of our time the JFK assassination in this New York Times bestselling terrific thriller Booklist starred review It s not even a clue It s a whisper a trace a ghost echo drifting down through the decades via chance connections so fragile that they would disintegrate in the puff of a breath But it s enough to get legendary former Marine sniper Bob Lee Swagger interested in the events of November 22 1963 and the third bullet that so decisively ended the life of John F Kennedy and set the stage for one of the most enduring controversies of our time Swagger begins his slow night stalk through a much traveled landscape unraveling government cover ups and Cold War secrets But he s asking questions that few have asked before Why did the third bullet explode Why did Lee Harvey Oswald about to become the most hunted man on earth risk it all by returning to his rooming house to secure a pistol he easily could have brought with him How could a conspiracy that went unpenetrated for fifty years have been thrown together in the two and a half days between the announcement of the president s route and the assassination itself As Bob investigates another voice enters the narrative knowing ironic almost familiar that of a gifted Yale educated veteran of the CIA Plans Division Hugh Meachum has secrets and the means and the will to keep them buried When weighed against his own legacy Swagger s life is an insignificant expense but to blunt the threat he ll first have to ambush the assassin As each man hunts the other across today s globe and through the thickets of history The Third Bullet builds to an explosive climax that will finally prove what Bob Lee Swagger has always known it s never too late for justice
