creative impulse often if not always that mushrooms on tender feelings of melancholy Blue Moon is one such impulse that
found its voice in the suffering of separation It is inspired by the real life story of Alice and Solomon two strangers who met
only to part and never meet again The book portrays the passionate journey of Alice through varied human emotions from
fantasizing to the acceptance of truth Navigating through the sentiments of Alice the poet also finds her long lost words
which transforms themselves into poetic verses The poems are the silent resonances that open a door to the phenomenal and
the sublime emotions that are truly universal *Blue Moon Books* Blue Moon Books (N.Z.),2003* **Printed**
