Volume 4, The Official History of Australian Peacekeeping, Humanitarian and Post-Cold War Operations Jean Bou, Bob Breen, David Horner, Garth Pratten, Miesje de Vogel, 2018-10-10 The Limits of Peacekeeping highlights the Australian government s peacekeeping efforts in Africa and the Americas from 1992 to 2005 Changing world power structures and increased international cooperation saw a boom in Australia s peacekeeping operations between 1991 and 1995 The initial optimism of this period proved to be misplaced as the limits of the United Nations and the international community to resolve deep seated problems became clear There were also limits on how many missions a middle sized country like Australia could support Restricted by the size of the armed forces and financial and geographic constraints peacekeeping was always a secondary task to ensuring the defence of Australia Faith in the effectiveness of peacekeeping reduced significantly and the election of the Howard Coalition Government in 1996 confined peacekeeping missions to the near region from 1996 2001
