A Problem For The Chalet School:

A Problem for the Chalet School Elinor Mary Brent-Dyer, 1956 **A Problem for the Chalet School** Elinor M. Brent-Dyer, 2025-04-26 A scholarship student is thrust into the vibrant world of the Chalet School where daunting expectations unfamiliar traditions and fierce friendships test her courage Amid the towering Alps and the school's bustling halls she grapples with homesickness and doubt but also finds the seeds of belonging *A Problem for the Chalet School* captures the transformative journey of a young girl learning that true worth lies in perseverance kindness and heart **The Chalet School and Jo** Elinor Mary Brent-Dyer, 1984 [Textual Transformations in Children's Literature](#) Benjamin Lefebvre, 2013-01-04 This book offers new critical approaches for the study of adaptations abridgments translations parodies and mash ups that occur internationally in contemporary children's culture It follows recent shifts in adaptation studies that call for a move beyond fidelity criticism a paradigm that measures the success of an adaptation by the level of fidelity to the original text toward a methodology that considers the adaptation to be always already in conversation with the adapted text This book visits children's literature and culture in order to consider the generic pedagogical and ideological underpinnings that drive both the process and the product Focusing on novels as well as folktales films graphic novels and anime the authors consider the challenges inherent in transforming the work of authors such as William Shakespeare Charles Perrault L M Montgomery Laura Ingalls Wilder and A A Milne into new forms that are palatable for later audiences particularly when for perceived ideological or political reasons the textual transformation is not only unavoidable but entirely necessary Contributors consider the challenges inherent in transforming stories and characters from one type of text to another across genres languages and time offering a range of new models that will inform future scholarship **The English Girls' School Story** Judith Humphrey, 2009 The English girls boarding school novel was staple reading for girls not just in England through the first half of the twentieth century Generally dismissed as sentimental hack writing these stories were immensely popular Humphries who had loved the books as a child discovered in adulthood that she was still enamored of them Her search for why the books still hold up turned into a dissertation She concentrates on the genre as a whole finding several important similarities The most important ones involve the independence and strength of young women living in an all female environment The chapters elucidate the positive messages that the books contain a respect for intelligence and learning women as self directed women active in sports women in authority and importantly the bonds of female friendship Humphries makes it clear that although some attitudes have changed too many girls still see themselves as incomplete without a boyfriend and always secondary to him [GOOGLE BOOKS](#) [The Chalet School Books and the Twentieth Century](#) Miles Booy, 2025-06-17 The first full length study of this beloved children's series *The Chalet School in the Twentieth Century* moves beyond the largely generic analysis within which it has previously been discussed Published between 1925 and 1970 the series moves from European reconciliation after the Great War through a second global conflict to a post war world

increasingly defined by increased secularity and emerging consumerism Reproducing cover illustrations Miles Booy s book examines both those issues which author Elinor M Brent Dyer consciously explored such as the exceptional The Chalet School in Exile which she sought to explain the Nazi occupation of Austria to her young readers and those aspects of the text which must be read symptomatically This is a book which will engage students with historical and cultural interests beyond children s literature With barely a midnight feast in sight but much anxiety about social change it s a familiar genre but not as you think you know it Hurry up new girls class is about to begin **The World of Girls** Rosemary Auchmuty,1992 Examines the work of four authors Elsie Jeanette Oxenham Dorita Fairlie Bruce Elinor Mary Brent Dyer and Enid Blyton

A World of Women Rosemary Auchmuty,1999 In this book Rosemary Auchmuty looks at school novels with popular female heroines such as the Abbey Girl books and the Chalet School series She questions their ability to portray strong independent women and asks why the female authors often resort to the conventions of society marrying the characters off into a life of domesticity *The Whole Story* John E. English with over 84 000 works by 12 500 authors in 17 000 sequences **Stock List of Junior Fiction for Libraries** ,1959 **Children's Literature Abstracts** ,1996 British Children's Writers, 1914-1960 Donald R. Hettinga, Gary D. Schmidt,1996 Essays on authors and poets in this volume represent some of the best known writers of children s literature in the twentieth century This period is marked by certain characteristics such as stories of groups of children bonded together the emergence of strong female protagonists the career books and a consciously subdued presence of pain and suffering Many of these works are valued for the window they provided upon a culture now gone **Waterstone's Guide to Books**
