A Real Hero:

Four Minds Abbas Rajan, 2017-06-01 Will Abbie ever be able to make friends Will Abbie live a lonely life or will he ever come across his true love Will Abbie ever be able to find an answer to what life is all about what true love is all about Will Abbie ever be serious of what to do in life or will Abbie stay unemployed forever *Four Minds* is about four people who are divided in terms of thoughts of what true love is and how they measure love with Specificational and Predicative Clauses

Wout Van Praet, 2022-07-05 In studies of copular clauses the relation between specificational and predicative clauses has been a contentious issue While most studies agree on the analysis of predicative clauses specificational clauses have sparked much debate A key concern is how specificational clauses with indefinite variable NP e g A popular holiday go to is Rome compare to and contrast with other copular clauses especially specificational clauses with definite variable NP e g The main can't miss in Italy is Rome and predicative clauses with indefinite predicate nominative e g Rome is a great city This book addresses this concern by offering a functional structural analysis of these three clause types in terms of their common characteristics and distinguishing features The analysis of the clauses structure and meaning is substantiated by evidence from corpus research which probes into various aspects of their actual usage e g information structure and prosody discourse embedding In doing so the book offers an empirical basis for testing existing assumptions about predicative and specificational clauses while also providing new insights into the interaction between the grammar and discourse usage of copular clauses

America's Digital Army Robertson Allen, 2017-07 America's Digital Army is an ethnographic study of the link between interactive entertainment and military power drawing on Robertson Allen's fieldwork observing video game developers military strategists U S Army marketing agencies and an array of defense contracting companies that worked to produce the official U S Army video game America's Army Allen uncovers the methods by which gaming technologies such as America's Army with military funding and themes engage in a militarization of American society that constructs everyone even nonplayers of games as virtual soldiers available for deployment America's Digital Army examines the army's desire for talented soldiers capable of high tech work beliefs about America's enemies as reflected in the game's virtual combatants tensions over best practices in military recruiting and the sometimes overlapping cultures of gamers game developers and soldiers Allen reveals how binary categorizations such as soldier versus civilian war versus game work versus play and virtual versus real become blurred if not broken down entirely through games and interactive media that reflect the U S military's ludic imagination of future wars enemies and soldiers
