*A Sea of Troubles* Stan Erisman, 2021-06-28 The unbearable loss of Jeanette throws Stan's life into anguished chaos in the opening chapters of *A Sea of Troubles* the fifth and penultimate book in the *Hindsight* series With his lust for life demolished the only things keeping him alive are his inability to believe in anything but living and his vital friendship with Bob Desperately trying to run before he can walk Stan falls deeply in love with Lena and is driven to the brink of suicide and to an unexpected catharsis After a year of booze and smoke Stan regains a little balance thanks to Bob and to the warm companionship of others but is unable to banish Lena from his mind and life In the war of attrition between their hearts minds wills and bodies Stan refuses to let her go and she refuses to let him get away Eventually Lena succumbs to his persistence they get engaged cohabit and marry They're happy at last for weeks possibly even months But the unwelcome war has only just begun With Lena's disdain towards him increasing Stan struggles to continue painting in the face debilitating discouragement and turns instead to further building projects Lena wants children Hoping that a family might finally forge the missing bonds Stan moves mountains to make it possible But he puts down his brushes and puts away his easel for good

*Treading in a Sea of Bricks* Erick Moody, 2016-11-09 As insinuated by the metaphoric title *Treading* to stay afloat usually in water too deep to stand in and in a *Sea of Bricks* identification of the story's location through the town's nickname Brick City this is ultimately a tale of triumph but mainly of struggle Keeping your head above water Its an illustrative depiction of the harsh choices and realities offered to the inner city youth in the early 80s through

late 90s many of which still exist amongst others today The story centers around two young men Ezra and Choke growing up in Newark New Jersey who are seemingly fated to face many of their lifes trials together The road to adulthood can be blissful and or blistering so as the pair weather the storm they learn theres no better aide than wisdom and true friendship
