A Serigamy Of Stories:

A Serigamy of Stories Kathryn Tucker Windham,1988 Jeffrey's Favorite 13 Ghost Stories Kathryn Tucker Windham,2004-05-01 This is the first anthology of the author s own favorite ghost stories from the highly successful Jeffrey series of books that began in 1969 with *13 Alabama Ghosts* and *Jeffrey Hundreds* of thousands of these books have been sold The present volume includes 13 of the best of Mrs Windham s stories representing mysterious and supernatural doings from Alabama Georgia Tennessee and Mississippi Most of the stories are related to historical places and sometimes to historical people The Storytellers' Journey Joseph Daniel Sobol,1999 A seemingly chance encounter between a restlessly ambitious high school teacher and a coonhunting tale on the car radio sets off a chain of inspirations that changes the face of a small southern town touches lives across America and revitalizes a homely but treasured art form This is the seed of *The Storytellers Journey* Joseph Daniel Sobol s history of the past thirty years of American storytelling In this compelling examination of the contemporary search for myth Sobol explores the social and psychological roots of the storytelling revival and the ever resurgent power of the storyteller Drawing on interviews with dozens of storytellers around the country Sobol paints the revival as part of a larger process of cultural revitalization He traces the growth of the preeminent revival organization the National Association for the Preservation and Perpetuation of Storytelling NAPPS in Jonesborough Tennessee and details the individual passions the organizational politics and the economic social and mythic forces that have combined to transform a ragtag assemblage of enthusiasts into a national and international network of arts professionals

She Kathryn Tucker Windham,2012-08-01 This slender book the last of twenty nine written by Kathryn Tucker Windham over her long and productive life will be an exquisitely bittersweet read for the many fans of the late storyteller and author from Selma Alabama In *She* which Windham was putting the finishing touches on when she died in June 2011 the author describes how she woke up one day to find that she had an unwanted houseguest an old woman who had suddenly moved into her home and was taking over her life Windham referred to this interloper simply as *She* and here the reader has been invited into the lively colloquy between the author whose spirit has not changed and her alter ego who moves haltingly toward her earthly end *She* will leave you laughing and crying but also grateful and hopeful **Odd-Egg Editor** Kathryn Tucker Windham,1990 *Tales from the Easel* ,2004 *Tales from the Easel* features seventy full color reproductions that convey the expressive allusive powers of narrative painting Though they range widely in subject and setting all of the paintings gathered here are rendered in a representational or realistic style Carrying moral social or patriotic messages the paintings are meant to teach enlighten or inspire Then again the paintings can also tweak the very conventions that define them with results that range from the delightfully idiosyncratic to the visionary Thomas Hart Benton Winslow Homer Andrew Wyeth and Jacob Lawrence are just some of the household names whose work appears in *Tales from the Easel* Others like Elihu Vedder and Lilly Martin Spencer are less well known but still vital to the development of narrative painting While some

of the artists including George Caleb Bingham and Paul Cadmus were classically trained self taught painters such as Carlos Shoney Moon and Thomas Waterman Wood are also represented American rivers cities and battlefields are among the native surroundings shown in many of the paintings However artists also looked elsewhere for settings to Europe the Holy Land or even some imagined realm Charles C Eldredge s essay discusses the rich and varied sources of American narrative painting from literature and history to childhood and domestic life and an essay by William Underwood Eiland provides a discussion of the southern tale telling tradition Artist biographies by Reed Anderson and Stephanie J Fox appear opposite the paintings adding further context Tales from the Easel a companion volume to the national touring exhibit of the same name is a stunning reminder of a tradition in American painting that has endured across two centuries and numerous art movements

Spit, Scarey Ann, and Sweat Bees Kathryn Tucker Windham,2009-09-01 With sprightly humor and a lifetime spent observing Southern culture beloved storyteller Kathryn Tucker Windham shares memories of her childhood in Thomasville Alabama She affectionately recounts stories about family members friends and favorite pastimes Spit Scarey Ann and Sweat Bees recalls small town life in the 1920s and 30s garnished with ruminations about folktales and superstitions Mrs Windham recalls how Thurza the family cook tucked a wooden match in her hair to cure a headache and how her father spit in his hat when a rabbit crossed the road She ponders the origins of old sayings and the creativity of children s play before television and air conditioning One thing leads to another Mrs Windham says ticking off the items she wants us not to forget In every phrase the reader hears her voice almost as if our favorite story teller was in the room **Alabama, One Big Front Porch**

Kathryn Tucker Windham,2007-01-01 Many of Alabama s finest stories used to begin with a reference to the night the stars fell and even now there is an inclination among some residents to divide local history into two segments before the stars fell and after the stars fell That would make November 13 1833 the dividing line Thousands of Alabamians thinking the end of the world was at hand when they saw the heavenly spectacle fell to their knees to plead for mercy and forgiveness Others promised eternal renunciation of sin card playing dancing whiskey drinking cursing and associated vices if they were spared whatever catastrophes were in the offing Still others jumped upon horses and tried to outrace the fearful menace they believed was pursuing them **The Companion to Southern Literature** Joseph M.
