**A Practical Guide to Prosperous Living** J. Douglas Bottorff, 2016-05-07 Being prosperous is a goal to which many aspire. Achieving it is sometimes difficult. In his unique and insightful approach, J. Douglas Bottorff gives you the tools, guidelines, and the practical information you need to understand the principles of prosperity and how to put them to work in your life. Following these principles, you learn how to realize your dreams. New doors will open. Your spiritual life will deepen. You will gain new confidence and self-esteem, and every aspect of your life will reflect more of the harmony and abundance you deeply desire. *The Whisper of Pialogos* J. Douglas Bottorff, 2007 Hired to document an aging eccentric's search for an ancient scroll, novelist Stuart Adams sets out with Greek archaeologist Dr. Niki Mikos to a Mediterranean location that may hold the prize they all seek.

**Soul Currency** Ernest D. Chu, 2010-11-30 In tough times, we look outside ourselves for things to change instead of looking inward where true abundance resides. It's tempting to downplay important values like generosity, integrity, and intuition. These niceties can take a backseat because we think the world needs to change before we can find wealth. But they are what make it possible to find prosperity, no matter what happens in the world around us. These inner traits help us reach our outer goals. Ernest Chu's transformational concept of soul currency refers to both something we use to exchange value as with money and the circulation of a divine force in our lives. Chu's own example as an entrepreneur who pulled himself out of crushing debt shows his practical readiness to implement principles in action. Soul currency bridges the material world of finance and the invisible world of Spirit, allowing abundance to come to us and flow through us. When we tap into the creative force of soul currency, we can experience unprecedented abundance and fulfillment.
