A Preaching Workbook

Mark Ellingsen

A Preaching Workbook:

A Preaching Workbook David Day, 2004-10 A highly practical book on how to preach effectively This is a book for all preachers of any denomination be they ordained or readers students preparing for a preaching ministry or lay people called on to preach from time to time Anyone who preaches knows how much help is needed within preaching because this form of communication is a demanding and difficult one This workbook provides just the help people must have In his introduction David Day describes the ambivalence in churches about preaching He goes on to help preachers construct and deliver sermons that draw the practice closer to the high theology we hold of the sermon as the word of God David Day believes that the best and most effective preaching is biblical and several chapters focus on how to draw our message authentically from scripture He also gives plenty of practical help on the craft of preaching And in doing so he is brave enough to expose some of his own sermons as examples of good or occasionally bad practice as well as sermons from fifty or so preachers who are equally brave in offering their own efforts

A Sermon Workbook Leonara Tubbs Tisdale, Thomas H. Troeger, 2013-10-15 Both experienced and novice preachers need a new approach for sermon development skill building A Sermon Workbook offers a unique and flexible resource that is instantly accessible and useful for anyone tasked with the proclamation of the Word The workbook format can be used in a linear fashion beginning to end Or readers can pick and choose the chapters to tailor fit their own needs In either case readers build skill upon skill working through inventive and engaging exercises first developed and taught at Yale Divinity School The book addresses the skills and arts that are essential for effective preaching in our multi tasking multi ethnic sound bite society It offers theological clarity about why we preach and what matters most The creative collaborative and charming authors present the principles as they do in their classroom in two voices one male and one female with the two complementing and supporting one another

Lectionary Preaching Workbook, Series IX, Cycle a Mark Ellingsen, 2013-08-01 Mark Ellingsen s new Lectionary Preaching Workbook will be a wonderful resource for pastors for decades to come I say this because I find the book to be exegetically sound theologically strong homiletically creative liturgically sensitive and imminently practical in the best sense of that word Practical Theology of the highest order that s what describes Ellingsen s workbook A modest hope is that preachers who have found themselves timid about approaching the lectionary will see in Mark Ellingsen s workbook a way to test the waters and eventually dive in Ellingsen provides here the opportunity for that homiletical leap of faith William J Carl III Ph D President and Professor of Homiletics Pittsburgh Theological Seminary Dr Ellingsen presents the preacher with a resource that deeply enriches weekly sermon preparation Not only does he offer exegetical and theological information for the lections but sermon topics themes and other resources as well I also appreciate the resources that he offers at the beginning of the workbook the review of the books of the Bible a theological overview as well as reviews of the various seasons of the church Unlike so many lectionary resources that are grounded in the scriptures Dr Ellingsen incorporates a strong focus on the theological emphasis of the texts and
