**A Presence of Angels** Judyth Hill, 1995-05 Poems filled with the passion of the luminous presence of muses and angels from Cezanne and Duchamp to the dark angels of mothers and lovers *In the Presence of Angels* Gail S. Lentz, 2023-02-09 Many of my poems were written because I was in the presence of angels I would awaken in the middle of the night with a line of poetry in my head I would then grab a pencil and pad and begin writing The first time it happened I thought Mmm IaEUR tm ll jot that down tomorrow When I awoke I couldnaEUR tm t even remember the first word of the line much less anything else about it After that happened I got up and wrote all of what was on my mind I would then fall back to sleep Amazingly in the morning I had very little need of corrections Sometimes there were words that were unfamiliar to me When I looked them up they fit perfectly This behavior continued through more than fifty poems I also write when praying or observing a sunset I would have a line of poetry in my head which had to be recorded Many times on my way to work I had to pull off the road to write down on a paper bag what I was thinking This usually was when I was having a discussion with God I have often said to friends when sharing my poetry aEURoel am only the messenger aEUR My poems are messages to those who are suffering and suggestions on how to live a more fulfilling life God is always available and will see you through any crisis Trust Him for He loves us all
