*A Presumption of Innocence : the Amazing Case of Patrick Meehan* Ludovic Kennedy,1976     The Monster Butler Allan Nicol,2011-03-31 Archibald Hall was one of Scotland's most enigmatic criminals A man of multiple personae Hall was more widely known as Roy Fontaine the Monster Butler who murdered five people including his own brother After his convictions for murder in both Scotland and England in 1978 and with talk of a film of his life story Hall took the opportunity to glamourise his past in books and magazines What can be unravelled from his web of lies though is that he began the sinister transformation into Roy Fontaine the gentleman butler ready to seduce steal and deceive after effecting a more refined accent and studying etiquette and the aristocracy whilst serving his many jail terms But how does a man go from thief to killer Was he always destined to be an unfeeling cold blooded murderer Or was he simply a desperate man obsessed with making a fortune by any means And what could have influenced his bizarre outlook on life These are the questions Allan Nicol examines in this illuminating new account of The Monster Butler     **Ninety Humanists and the Ethical Transition of Britain** Callum G. Brown,2025-10-16 This book re writes the origins of the progressive 1960s It argues that 94 leading British intellectuals nearly all humanists were inspired by H G Wells to amend the ethical laws of the nation under a banner of The Open Conspiracy Using a wealth of correspondence and other materials covering 1930 to 1980 Callum Brown identifies a new motivation behind ethical change Whilst established narratives attribute most changes to youth revolt the sex revolution and feminism he shows how a humanist led network realigned much of the British state to the principles of humanitarianism the autonomy of the individual and internationalism The author examines the network's campaigns and the work of individual intellectuals High profile members come into focus including Bertrand Russell Julian Huxley and Barbara Wootton Highlighting the amazing breadth of the group's work the book reveals 11 main areas of ethical ambition ranging from abolishing world hunger hanging child beating and women's entrapment in abusive marriages to nuclear disarmament and the promotion of federal world government The result is a compelling new perspective on modern British history and the key social and moral reforms of the past century     Caledonian Jews Nathan Abrams,2009-10-21 This is the first full history of the Jews in Scotland who lived outside Edinburgh and Glasgow The work focuses on seven communities from the borders to the highlands Aberdeen Ayr Dundee Dunfermline Falkirk Greenock and Inverness Each of these communities was of sufficient size and affluence to form a congregation with a functional synagogue and while their histories have been previously neglected in favor of Jewish populations in larger cities their stories are important in understanding Scottish Jewry and British history as a whole Drawn from numerous primary sources the history of Jews in Scotland is traced from the earliest rumors to the present     **Prison Service Journal** ,1975-07     *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983     The Listener ,1976     *A Research Agenda for Global Crime* Tim Hall,Vincenzo Scalia,2019 This multidisciplinary collection of essays by leading international scholars explores many pressing issues related
