proust's challenge to time Margaret Mein,

Marcel Proust's Search for Lost Time Patrick Alexander, 2009-09-22 An accessible irreverent guide to one of the most admired and entertaining novels of the past century *Remembrance of Things Past* There is no other guide like this a user friendly and enticing entry into the marvelously enjoyable world of Proust At seven volumes three thousand pages and more than four hundred characters as well as a towering reputation as a literary classic Proust's novel can seem daunting But though begun a century ago in 1909 it is in fact as engaging and relevant to our times as ever Patrick Alexander is passionate about Proust's genius and appeal he calls the work outrageously bawdy and extremely funny and in his guide he makes it more accessible to the general reader through detailed plot summaries historical and cultural background a guide to the fifty most important characters maps family trees illustrations and a brief biography of Proust Essential for readers and book groups currently reading Proust and who want help keeping track of the huge cast and intricate plot this Reader's Guide is also a wonderful introduction for students and new readers and a memory refresher for long time fans
