A Rainbow Behind A Shadow:

A Rainbow Behind a Shadow Cice Rivera, 2003-10 [The Alpine Journal](#), 1884 *Astronomical Symbols on Ancient and Medieval Coins* Marshall Faintich, 2008-01-01 The coins of ancient and medieval Europe provide unique insights into the economic and political history of their period In a time when few members of the population could read or write the symbols depicted on coins offered a medium for communication propaganda and historical archiving This work hypothesizes that astronomical symbols on ancient and medieval coins were often used as a way to record actual celestial events The author provides more than 550 figures and line drawings of coins maps and astronomical events to illustrate this hypothesis In addition several appendices evaluate the historical accuracy of ancient and medieval coinage and offer additional examples not included in the main text [Selah: Pause and Think on This](#) Kimberly Daniels, 2017 Pause be still and find hope as you recognize that God is working on your behalf Kimberly Daniels has overcome the adversity in her life and has been set free in many ways She shares what she has learned so that it might equip other Christians to fight the fight and come out stronger on the other side The Hebrew word Selah means pause and think on this As you take time to pause and reflect on each day s message you will strengthen your spirit and arm yourself for spiritual battle These powerful daily readings will encourage those who are in the midst of tough times You will be equipped spiritually for breakthrough in every situation [Behind the Curtain](#) Wayne R. Kime, 2011-05-31 In the decade that followed his emigration to the United States in 1851 Fitz James O Brien 1828 1862 produced a steady stream of contributions to American newspapers and magazines As short story writer essayist poet dramatist reporter reviewer drama critic and editor he won reputation as one of the ablest young writers in New York City displaying what one contemporary termed an extraordinary talent But soon after his early death from complications of a battle wound the sense of wonder at O Brien s prolific accomplishments began to dissipate In 1881 his friend William Winter brought out *The Poems and Stories of Fitz James O Brien* a one volume collection that spared him the oblivion that awaits even the ablest magazine writers That book with reprintings derived from it has formed almost by itself the basis for O Brien s lasting reputation In the early decades of the twentieth century O Brien continued to be admired as the most significant practitioner in the short story in the United States of the 1850s However since then the recognition of his achievement has focused on a few tales of the macabre and the supernatural He is now remembered in two unrelated contexts as a colorful member of the Bohemian circle that flourished in New York City in the years prior to the Civil War and as author of such stories as *The Diamond Lens* *The Lost Room* and *What Was It A Mystery* The present volume reintroduces the fiction of Fitz James O Brien to modern readers by presenting fourteen of his works five here reprinted for the first time that together suggest the development and range of his accomplishment as a short story writer Additionally editorial commentary on individual stories reveals O Brien s attunement to the fashions fads interests and concerns that manifested themselves in his adopted city and country Though immersed in the details of his own era O Brien cherished a belief that
