A Rainy Day To Remember Little Bill:

A Rainy Day to Remember Kitty Fross, 2002 Little Bill's imagination saves the day

Dora's Nursery Rhyme Adventure Christine Ricci, 2005 Dora and her little brother and sister sing nursery rhymes to help Jack and Jill Humpty Dumpty and Old King Cole get out of trouble

"Boss" Tweed Denis Tilden Lynch, 1927 No political scandal in American history has had a greater impact on America's political consciousness than the rise and fall of the Tweed Ring in New York City between 1866 and 1871 In an age ripe with scandal both public and private the spectacular corruption charged to Boss Tweed and his associates estimates of their extortion range from 20 million to 200 million became an enduring symbol of the dark side of democratic politics The Tweed Ring contributed much more than cartoonist impressions it helped to shape a powerful theory of political reform It was in truth one of the formative events of progressivism that multifaceted doctrine that has evolved into the modern American creed In this sense the Tweed Ring was to produce not only deep misgivings about the existing regime but an insight into how it should be reformed Denis Tilden Lynch's biography of Boss Tweed was published in a time filled like Tweed's with sudden prosperity daunting problems and spectacular scandals It is a straight forward workmanlike study untroubled by the conceits of modern historical scholarship and close enough to its subject's generation to have some of the immediacy of journalism Of all the books published about the Tweed affair Lynch's study is the only one that is a genuine biography in which the man himself is the focus For this reason it conveys something of the texture of daily life in New York in the nineteenth century while bringing Tweed out from behind the shadows of Thomas Nast's leering cartoons and presenting him as much as is possible as a man and not an icon An interesting example of Americana this volume will be of interest to historians of the period as well as those interested in American urban and political life

THE AVENGERS TRILOGY Allan Cannon, 2013-01-27 When Minnie Mullins sold her deceased husband's barbershop to Howard a personable young stranger little did she realize the portent of his sudden appearance in her community Everywhere Jake goes something happens to get him drawn into resolving a mystery even worse than when he was a cop Like the Tennessee country music icon and his religious counterpart Jake came to Knoxville to visit his Dutch Uncle only to find him incarcerated for murder Albia is a typical mid western county seat town of four thousand people minus one When an early blizzard finally relinquishes what it is hiding the area will never be the same again The snow covered secret not only rewrites the community's history but determines its future as well and all the residents are affected
