A River Called Titash Voices From Asia 7:

A Poem at the Right Moment Velcheru Narayana Rao, David Shulman, 2023-07-28 A Poem at the Right Moment collects and preserves poems called catus that have circulated orally for centuries in South India. The poems are remarkable for their wit and precision, their lyrical insight on the commonplace, their fascination with sensual experience, and their exploration of the connection between language and desire. Taken together, the catus offer a penetrating critical vision and an understanding of the classical traditions of Telugu, Tamil, and Sanskrit. Each poem is presented in a contemporary English translation along with the Indian language original. An introduction and a concluding essay explore in detail the stories and texts that comprise the catu system. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1998.

Harukor Katsuichi Honda, 2000-04-12 A memoir of Ainu life over five hundred years ago, before Japanese invasions nearly killed off this indigenous society. No written records remain other than Japanese observations, but the author has relied on surviving oral accounts and extensive study of anthropological and archeological discoveries to construct a representative woman's life story.

Tokyo Stories Lawrence Rogers, 2002-06-27 A collection of translated stories about life in Tokyo throughout most of the twentieth century.

The Soil Takashi Nagatsuka, 1994-01-29 Nagatsuka Takashi's novel *The Soil*, published in Japan in 1910, provides a moving and sensitive but unsentimental portrait of rural peasant life in Japan during the Meiji era. The community described is the author's native place, and the characters whose lives are described in vivid detail over a period of years are drawn from life.

Encounter Mu-suk Han, 1992-10-30 A subplot involving three sisters, the daughters of a prominent Catholic aristocrat, offers vivid glimpses into the lives of Yi dynasty women: palace ladies, scholars' wives, tavernkeepers, shamans, and slaves.

Classical Telugu Poetry Velcheru Narayana Rao, David Shulman, 2002 An amazing book. There is nothing remotely like it anywhere in the world. I am in awe at the skill with which the many different voices in this collection have been kept alive. It is a terrific and stunningly interesting read.

Wendy Doniger, author of *The Bedtrick Tales of Sex and Masquerade*. This is a superb collection which presents to the English reading public for the first time a literature of great beauty and importance. There is no similar or comparable anthology for any Indian language, let alone Telugu. All of the translations of the poems are exquisite and learned. The introduction is both a much-needed history of Telugu poetry and also a guide to the aesthetics of Telugu poetry and the art of reading it.
