debate was brought about after a correspondence covering nearly eight months of time between Mr Russell and myself In June 1907 Mr Russell wrote to me that if I would find a fair honorable straightforward servant of truth and a representative man and properly indorsed he would meet him in public debate I immediately took the matter up with M C Kurfees and R H Boll of Louisville Ky and they made selection of L S White of the Pearl and Bryan Streets Church of Christ Dallas Texas In October Mr White was presented to Mr Russell by correspondence as the one selected to meet him The two then entered into correspondence and after two months decided on the propositions discussed in this book Mr White wanted a much longer time given to each proposition He also requested that the disputants be governed by the rules laid down in Hedge s Logic and that each debater be confined to the proposition discussed To both of these propositions Mr Russell declined to agree Mr White came with the indorsements of the best brethren throughout the South and South west He has spent fifteen years in the evangelistic field He has been the champion of seventeen debates extending from Tennessee to California While only forty years of age and in appearance on the platform young enough to be Mr Russell s own son he nevertheless handled his part of the program in a manner that proved him to be a master of the occasion It is also important to state that Mr D A Brown an expert stenographer of national reputation was employed by me to take the full debate Mr Brown is not a member of either church and his report can be regarded as the only full and impartial report published Back cover
