Foster, 2021-02-16 For anyone seeking to live life to its fullest potential *Blind Ambition* is an eye opening account of a tech industry executive who overcame fear and hopelessness to turn his blindness disability into a powerful competitive strength While most people were preparing for the adventure of adult life Chad E Foster was watching the world he grew up with fade to black but that didn't stop him from becoming the first blind person to graduate from the Harvard Business School leadership program and climbing the corporate ladder as a successful finance sales executive With determination ambition and drive Chad created what Oracle said would be impossible He gave millions of people the ability to earn a living by becoming the first to create customer relationship software for the visually impaired Even if you've been robbed of your self identity and dreams for the future you can change your story and achieve your goals In *Blind Ambition* readers and listeners will be inspired by Chad's story of how he transformed the loss of his vision into a gift with unique strengths and abilities he did not have before See how we choose the stories we tell ourselves about our circumstances and how this either limits us or propels us toward our goals Gain new perspective on what is possible when you shift your mindset give up making excuses and decide that you oversee who you want to be Learn the mental model that Chad uses to quickly overcome frustrations and stressors Overcoming the challenges of blindness improved Chad's perspective making him more resilient and grateful for the life that he has Ultimately Chad's unforgettable lessons and outlook will inspire listeners to overcome their perceived limitations and explore new possibilities where they once may have only seen obstacles *Blind Ambition* will teach you how to take advantage of your disadvantages

Blind Ambition Gwen Hernandez, 2015-03-12 IT'S ABOUT TO GET HOT IN THE JUNGLE Rescuing a kidnapped aid worker from St Isidore's dangerous rebels is just another day at work for former pararescueman Dan Molina But his mission falls apart when the woman who once shattered his heart refuses to leave the island Alexa Alyssandratos can't return to her life as a nurse on the hurricane ravaged Caribbean island but she won't leave until she's certain the orphans she cared for especially one sick little girl are safe from the rebels Denied their ransom a would be dictator and his soldiers are hunting Alexa and Dan is the only person who can protect her Old passions reignite as she and Dan race to save the children before they disappear forever **Blind Ambition** John W. Dean, 2016-12-20 A six month New York Times bestseller Not only the best Watergate book but a very good book indeed The Sunday Times As White House counsel to Richard Nixon a young John W Dean was one of the primary players in the Watergate scandal and ultimately became the government's key witness in the investigations that ended the Nixon presidency After the scandal subsided Dean rebuilt his career first in business and then as a bestselling author and lecturer But while the events were still fresh in his mind he wrote this remarkable memoir about

the operations of the Nixon White House and the crisis that led to the president's resignation. Called fascinating by Commentary which noted that there can be little doubt of Dean's memory or his candor. *Blind Ambition* offers an insider's view of the deceptions and machinations that brought down an administration and changed the American people's view of politics and power. It also contains Dean's own unsparing reflections on the personal demons that drove him to participate in the sordid affair. Upon its original publication Kirkus Reviews hailed it the flip side of *All the President's Men*, a document a minefield and prime entertainment. Today Dean is a respected and outspoken advocate for transparency and ethics in government and the bestselling author of such books as *The Nixon Defense*, *Worse Than Watergate*, and *Conservatives Without Conscience*. Here in *Blind Ambition* he paints a candid picture of the sickening moral bankruptcy which permeated the White House and to which he contributed. His memory of who said what and to whom is astounding.

Blind ambition John Dean, 1973 *Blind Ambitions* Ta'racya Da'andra, 2019-01-05 When Samantha Douglas the Marketing Accountant for the VP at Blaylock Investments is given a new assignment requiring her to work with a potential investor. She finds out her potential client Travis Mitchell not only requested her but is 11 years her junior. He presciently pursues her with his charm. When she finally allows her heart to take over a secret they never knew they had change their lives forever. ***Blind Ambition***, 2017 *Blind Ambition a Love Story* Bonnie S. Davis, 2013-11 In *Blind Ambition A Love Story* a fictional memoir author Bonnie S Davis tells her story based on true life events in the first person voice of Susan Lucas. The story begins when a terrifying fall causes Susan to question why she didn't see the danger signs. The fragrance of the musty flowered wallpaper fills her head as her body rubs against the wall of the dark hallway. Each step is guarded as she inches her way forward into the overpowering blackness toward the open stairwell under the poorly lit Exit sign. It is a hard bone shattering fall. Numerous fire escape steps built to save now serve as her abuser as they fracture and dislocate her tumbling body before slamming her into the security door at the bottom. The nightmare ends when she rolls out onto the busy sidewalk on Main Street. The day thirty seven year old realtor Susan Lucas receives a prestigious sales award she plummets down several steps in an apartment building she is showing to a perspective buyer. When she is told her fall is the result of a progressive eye disease she accelerates her career goals before she loses her vision. This fear based decision forces her to choose between the people she loves and an obsession to beat the clock before time runs out. Susan's twenty five year multi level love story is filled with humor, inspiration, and second chances. The book is a must read for anyone who is struggling with a loss or has been forced off the beaten path by a life changing event. *The Columbia Guide to Contemporary African American Fiction* Darryl Dickson-Carr, 2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas. The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned. High unemployment, runaway inflation, and the energy crisis caused in part by U.S. dependence on Arab oil characterized an increasingly bleak economic situation. As Edward D. Berkowitz demonstrates, the end of the postwar

economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government s ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade s major political events and movements including the rise and fall of d tente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie s Angels offered Americans both a reflection of and an escape from the problems gripping the country Blind Ambition John Wesley Dean,1977 Blind Ambitions A.
