THE BLOOD COUNTESS

# Blood Countess

**Jeffrey Andrew Weinstock**

## **Blood Countess:**

Elizabeth Báthory Jill Keppeler, 2016-07-15 Sixteenth century Hungarian noblewoman Elizabeth Bathory became known as the Blood Countess after being accused of torturing and killing numerous young women. She was never convicted of these crimes but accounts of her life became intertwined with bloody folklore. Some say she bathed in her victims' blood to stay young. This gripping biography relates the fascinating facts and the gruesome and grisly tales that hound this woman's legacy. Sidebars, fact boxes, and photographs and illustrations provide more information about Bathory as well as the time in which she lived.

Blood Countess Lana Popovic, 2020-01-28 A lush and bloody historical thriller based on the infamous real life inspiration for Countess Dracula, a Hungarian noblewoman turned serial killer. Kirkus Reviews: In sixteenth century Hungary, Anna Darvulia has just begun working as a scullery maid for the young and glamorous Countess Elizabeth Bathory. When Elizabeth takes a liking to Anna, she's vaulted to the dream role of chambermaid, a far cry from the filthy servants' quarters below. She receives wages generous enough to provide for her family, and the Countess begins to groom Anna as her friend, confidant, and lover. It's not long before Anna falls completely under the Countess's spell, and the Countess takes full advantage. Isolated from her former friends, family, and fiancé, Anna realizes she's not a friend but a prisoner of the increasingly cruel Elizabeth. Then come the murders, and Anna knows it's only a matter of time before the Blood Countess turns on her too. Popovic balances lush romantic language with gruesome imagery in this tale of innocence lost. Readers will likely be inspired to do actual research into Lady Bathory's murderous misdeeds. Booklist: Popovic also touches on how a patriarchal society can drive women to extremes without letting the truly terrifying Bathory or Anna off the hook for their own actions. Kirkus Reviews: Hand to fans of dark historical fiction and powerful female characters. School Library Journal

**The Countess** Rebecca Johns, 2011-09-27 Was the Blood Countess history's first and perhaps worst female serial killer? Or did her accusers create a violent fiction in order to remove this beautiful, intelligent, ambitious foe from the male-dominated world of Hungarian politics? In 1611, Countess Erzsébet Bathory, a powerful Hungarian noblewoman, stood helpless as masons walled her inside her castle tower, dooming her to spend her final years in solitary confinement. Her crime: the gruesome murders of dozens of female servants, mostly young girls, tortured to death for displeasing their ruthless mistress. Her opponents painted her as a bloodthirsty krata, a witch, a portrayal that would expand to grotesque proportions through the centuries. In this riveting dramatization of Erzsébet Bathory's life, the countess tells her story in her own words, writing to her only son, a final reckoning from his mother in an attempt to reveal the truth behind her downfall. Countess Bathory describes her upbringing in one of the most powerful noble houses in Hungary, recounting in loving detail her devotion to her parents and siblings, as well as the heartbreak of losing her father at a young age. She soon discovers the price of being a woman in sixteenth century Hungary as her mother arranges her marriage to Ferenc Nádasdy, a union made with the cold calculation of a financial transaction. Young Erzsébet knows she has no choice but to accept this marriage, even as she laments its loveless nature and

ultimately turns to the illicit affections of another man. Seemingly resigned to a marriage of convenience and a life of surreptitious pleasure, the countess surprises even herself as she ignites a marital spark with Ferenc through the most unromantic of acts: the violent punishment of an insolent female servant. The event shows Ferenc that his wife is no trophy but a strong, determined woman more than capable of managing their vast estates during Ferenc's extensive military campaigns against the Turks. Her naked assertion of power accomplishes what her famed beauty could not: capturing the love of her husband. The countess embraces this new role of loving wife and mother, doing everything she can to expand her husband's power and secure her family's future. But a darker side surfaces as Countess Bathory's demand for virtue, obedience, and above all, respect from her servants takes a sinister turn. What emerges is not only a disturbing, unflinching portrait of the deeds that gave Bathory the moniker Blood Countess, but an intimate look at the woman who became a monster.

**Countess Elizabeth Bathory** Charles River, Charles River Editors, 2015-07-24. Includes pictures. Includes historic accounts of the Countess's life and crimes. Includes footnotes, online resources, and a bibliography for further reading. Includes a table of contents. She didn't fear death because, inside herself, she didn't conceive it as a common destiny, although she had seen it several times, although it had upset her so many times. Death is what happens to others, to the weak ones, she might have thought in her delirious blindness. As far as the physical pains and punishments were concerned, these had been exciting her ever since she was a child. Javier Garcia Sanchez, *Contesa Dracula*. Erzsbet Bathory. The legends of vampires like Dracula have generated massive interest throughout time. Indeed, the story of a man, in some versions, a very handsome, dashing man who feeds on the blood of virgins in order to survive and who walks the earth only at night, has been revived throughout the centuries in different forms. However, one famous tale that has been lost among the legends is the story of a female Dracula, an educated woman from a well-known family of 16th-century Hungary who was so afraid to lose her beauty and young looks that she engaged in dangerous practices, combining witchcraft with exsanguination. Countess Elizabeth Bathory is this female Dracula. She is said to have drained the blood of approximately 600 young women in order to drink it, spread it all over her body as a nurturing blend, or simply to bathe in it. Her preferences for such practices can be explained by several factors, including the practices of the time, as far as torture was concerned, her genetic heritage, personal madness, and the fear of fading beauty. Despite the general impression that Bathory was exsanguinating these girls and bathing in their blood, it appears that she did much more. Sources indicate that most of the girls had been beaten, tortured, and even forced into particular sexual activities. Regardless, her attempts to do anything to keep her beauty apparently went for naught, because upon her death, Bathory was no longer the beautiful and young woman she desired to be. In essence, it seems that all her criminal efforts had been in vain. Based on her behavior and the reactions to it throughout time, it is virtually impossible to set Erzsbet Bathory in a character typology. On one hand, she could be considered a bored wife left alone by her husband for long periods of time, time that she used to develop passions for same-sex relations and an acute interest in inflicting pain.

on her victims She might be seen as a mentally unstable person who found great joy in torturing others Perhaps most disturbing of all there s a possibility that the countess was a common character within the nobility of the 16th century who was acting normally based on the customs and norms of her era Adding to the mystery of the story is that historical records are still mostly inaccessible because of the language barriers most historical sources are in Hungarian As a result researchers interested in her life story and history usually rely on a limited number of available sources such as biographies articles published letters said to have belonged to her and scholarly articles on the topic Countess Elizabeth Bathory The Life and Legacy of History s Most Prolific Female Serial Killer details the mysterious and sordid history of one of the world s first and worst serial killers Along with pictures of important people places and events you will learn about Countess Bathory like never before in no time at all

**Countess Dracula** Tony Thorne,1998-02-19 This is the story of Elisabeth Bathory a 17th century Transylvanian countess She was tried as a vampire and became an inspiration for depraved murderers up to the present day Based on research conducted at archives in Eastern Europe this account includes both the recorded truth and the legend that has grown up around her Tony Thorne is the author of the Bloomsbury Dictionary of Slang

**The Blood Countess** Andrei Codrescu,2015-07-21 A brilliant novel of Elizabeth Bathory the notorious sixteenth century Hungarian aristocrat who bathed in the blood of virgins St Petersburg Times Turmoil reigns in post Soviet Hungary when journalist Drake Bathory Kereshtur returns from America to grapple with his family history He s haunted by the legacy of his ancestor the notorious sixteenth century Countess Elizabeth Bathory who is said to have murdered more than 650 young virgins and bathed in their blood to preserve her youth Interweaving past and present The Blood Countess tells the stories of Elizabeth s debauched and murderous reign and Drake s fascination with the eternal clashes of faith and power violence and beauty Codrescu traces the captivating origins of the countess s obsessions in tandem with the emerging political fervor of the reporter building the narratives into an unforgettable bloody crescendo Taut and intense The Blood Countess is a riveting novel that deftly straddles the genres of historical fiction thriller horror and family drama

[Santa Fe Blood](#) Gloria H. Giroux,2020-05-26 In the tumultuous 1960s Santa Fe New Mexico is shaken by the arrival of a diabolical killer who preys on young women One after another women are found dead and the killer leaves no trace As the body count grows the manhunt begins The Grayhawk clan is an unusual family who traces their mixed Navajo Hopi European roots back hundreds of years Memphis Grayhawk a dedicated law student who migrates into private investigation leads this crime fighting team His younger brother Tucson is a psychologist in training while his three youngest siblings provide energy support and love Memphis s best friend police detective Sand Hazelwood and his twin sisters Snow and Swan play an integral part in the investigation Finally there is Memphis s cousin Tansee a medical student with insight crucial to the case As these men and women follow the clues they realize the unfathomable depths of this monster s motives Will the killer manage to escape the clutches of justice or get the punishment he deserves How will these horrific crimes impact those hot on his trail Will they
