His Blood Cries Out for Justice Chandler W. C. Chandler, 2010 More than forty years ago Ollie Chandler was only eighteen years old when he was executed on October 18 1963 In this memoir Ollie's brother and author W C Chandler narrates Ollie's short life story that includes racial discrimination a miscarriage of justice and his untimely death Ollie was one of the fourteen children of John and Leatha Chandler who lived in the rural community of Clyattville Georgia Life was not easy for a black family living in the south And for Ollie life was even more difficult Mentally challenged he wasn't able to finish school But at age seventeen Ollie was arrested for a murder he said he didn't commit His Blood Cries Out for Justice tells the rest of Ollie's story from his time in jail to his trial by an all white jury and his subsequent death A moving tribute His Blood Cries Out for Justice pays homage to this young life that was cut short It reckons with history while also celebrating one family's deep love and that family's attempt to make sense of a tragedy
