**Blood of Kings** J. D. Davies,2010 This is a story of murder lust for power and revenge It reveals startling evidence that links the Gowrie Conspiracy of 1600 to an assassination that changed the course of European history and considers the

possibility that the bloodline of Mary Queen of Scots might have no legitimate right to the throne **Blood of Kings** Linda Schele, Mary Ellen Miller, 1986 By making full use of the progress in deciphering the Maya hieroglyphic code this examines the world and minds of the creators of Maya art including a look at the Maya calendar *The Blood King* Abigail Owen, 2020-08-25 Ruthless dragon king Ladon Ormarr must keep his throne and his people safe from the cruel High King at all costs With war on the horizon he'll need a miracle to protect his clan Luckily the fates have dropped the irresistible Skylar Amon right into his lap Or so he thought Because the last thing this phoenix wants is him A phoenix mate is the ticket to securing his throne but this fiery Amon sister detests Ladon doesn't stick to protocols and regularly offends his warriors and advisers Skylar also has no intention of sticking around nor does she believe in the whole destined mates thing But if it means taking out the High King who murdered her parents she'll put up with the too sexy for her sanity Ladon temporarily Their mating bond may make them want to tear off their clothes but outside the bedroom well Ladon is positive the fates hate him Just as he starts to win over the mercurial phoenix everything goes to hell when the High King makes his final move And Ladon will burn down the world to keep the mate he is unwilling to live without Each book in the Inferno Rising series is STANDALONE The Rogue King The Blood King The Warrior King The Cursed King *The Book of Life* Newton Marshall Hall, Irving Francis Wood, 1925 King David, Innocent Blood, and Bloodguilt David J. Shepherd, 2023-04-21 Of all the characters bequeathed to us by the Hebrew Bible none is more compelling or complex than David Divinely blessed musically gifted brave and eloquent David's famous slaying of Goliath also confirms that he is a redoubtable man of war Yet when his son Absalom rebels David is dogged by the accusation that he will lose his kingdom because he is not merely a man of war but a man of bloods guilty of shedding innocent blood In this book for the first time this language of innocent blood and bloodguilt is traced throughout David's story in the books of Samuel and 1 Kings The theme emerges initially in Saul's pursuit of David and resurfaces regularly as David rises and men like Nabal Saul Ishbosheth and Abner fall Innocent blood and bloodguilt also turn out to be central to David's reign This is seen in a surprising way in David's killing of Uriah but also in the subsequent deaths of his sons Amnon and Absalom his general Amasa and even in David's encounters with Shimei The problem rears its head again when the innocent blood of the Gibeonites shed by Saul comes back to haunt David's kingdom Finally the problem reappears when Solomon succeeds David and orchestrates the executions of Joab and Shimei and the exile of Abiathar Attending carefully to the text and drawing extensively on previous biblical scholarship David J Shepherd suggests that innocent blood is not only a pre eminent concern of David and his story in Samuel and 1 Kings but also shapes the entirety of David's history *By Darkness Hid* Jill Williamson, 2009-04 Given the chance to train as a squire kitchen servant Achan Cham hopes to pull himself out of his pitiful life and become a Kingsguard Knight When Achan's owner learns of his training he forces Achan to spar with the Crown Prince more of a death sentence than an honor Meanwhile strange voices in Achan's head cause him to fear he's going mad While escorting the prince to a council presentation their convoy is

attacked Achan is wounded and arrested but escapes from prison only to discover a secret about himself he never believed possible
