Blood On The Keys:

Practical Bacteriology, Blood Work and Animal Parasitology, Including Bacteriological Keys, Zoological Tables and Explanatory Clinical Notes Edward Rhodes Stitt, 1911 *BX-13: The Blood Game. Part 1-4.* Joe KING, In part 1 of BX 13 The Blood Game When unsuspecting student Dylan goes on a study course to Russia little did he realise that he would become part of an experiment so powerful it would change him into a superhuman After Dylan manages to escape from the secure testing facility he suddenly wakes up with no memories of his past then soon realises that something is wrong very wrong It doesn't take long before he realises he is being hunted For now he has no idea why and must rely on his wits to keep himself safe because whatever these people are after he knows his life is at stake With the help of a surprising new friend his only hope is that he can hold on long enough to remember what has been done to him and figure a way out of this nightmare he has woken up in Behind the scenes an experiment has been playing out and unknowing to Dylan he is the star pupil Will he survive long enough to figure out what has been done to him or will his life ebb away as quickly as he was given his superhuman powers In part 2 of BX 13 The Blood Game Just when Frank and Sharon think their lives are now complete with the arrival of their new born child Shannon All hell breaks loose when Shannon is taken They are now left with trying to find who and why their baby has been kidnapped As they investigate further into their daughter's disappearance they soon realise that those responsible will stop at nothing to keep what Shannon has locked inside her blood With the help of Billy a computer whiz kid and Liev Malik once again finding himself caught up in something big time is running out to find Shannon before she lets loose into a world full of people she will not stop killing Not until all those responsible for taking something so precious from her are dead With her abilities growing the surprises keep coming but no one had envisaged there could be more than just Shannon to wreak chaos on anyone foolish enough to get too close Will she finally be free or will she realise that her life was never going to be her own once her true potential is realised In part 3 of BX 13 The Blood Game Liev discovers he is being watched once more and when Frank and Sharon get back in touch they set out on a journey that will change everything they have come to believe Liev has a little help on the way from a usual source because his memories are vital to his survival and with enemies all around them and no one they can trust but each other Their time is running out to save the people they think need their help but all the time they are being dragged into a game they have no idea they are playing With time against everyone involved in the BX 13 project the outcome was always going to not be the one you expected In part 4 of BX 13 The Blood Game In the final part of BX 13 The Blood Game a deadly virus outbreak becomes more than just a flu epidemic reminiscent of an engineered virus as it is targeting the elderly Beverly Knight a prominent Doctor in the field of tropical disease soon discovers that this is way more than just a few people dying As she starts to uncover the truth a whole web of deceit has been blanketing the entire world from the truth A secret sect The Guardianship has been trying to cull the world's population and bring in a new era of super humans Can she stop the virus

before it spreads or will Liev Malik be left once more to save not just Shannon's life but everyone else's on the planet. With BX 13 being at the heart of so many projects planned by The Guardianship, it is never more vital than when it is destroyed by the only man capable, Liev Malik.

BX-13: The Blood Game. Part 3 Joe KING, BX 13 The Blood Game Part 3 Blake discovers his sister is still alive and sets out to give her a life he feels compelled she should have had before it was taken from her. He sets himself on a learning curve to discover how far his abilities can be stretched and begins manipulating his enemies for fun all the time, learning all the time, honing his craft of evil. Liev discovers he is being watched once more and when Frank and Sharon get back in touch, they set out on a journey that will change everything they have come to believe. Liev has a little help on the way from a usual source because his memories are vital to his survival and with enemies all around them and no one they can trust but each other, their time is running out to save the people they think need their help but all the time they are being dragged into a game they have no idea they are playing. With time against everyone involved in the BX 13 project, the outcome was always going to not be the one you expected.

It explores worlds and settings and reflects on the way things might have been or might become.

Blood Demons Richard Jeffries, 2018-03-20 BLOODS AND CRYPTS Once again America is under siege. A devastating terrorist attack has destroyed one of the nation's most treasured landmarks. With Mt Rushmore now reduced to a pile of rubble, Major Josiah Key, commander of the secretive Cerberus Unit, is dispatched to hunt down the mastermind responsible, the most fanatically evil extremist the world has ever known. And he's hidden in the most isolated region of the Hindu Kush mountains of Afghanistan. Climbing to the fiend's remote, mysterious caves, the four-person Cerberus team encounters bloodless corpses that lead them to confront one of the greatest evils in human history, the Vetela, unholy creatures who inhabit the bodies of the dead and the source of all vampire legends. Their sole purpose is to guard the terrorist, and with his help, the Vetela are finally ready to come into the light and lay waste to all humanity.
